Take a trip in a sip, a journey through time and place via the cocktail glass. The libations in this intoxicating collection span some 200 years, from Europe to the Far East, and they're the drinks with the best tales to tell. Because--without

a backstory--a cocktail is nothing more than spirits and mixers. But spike that drink with an anecdote about the people, places, and circumstances that influenced its creation, and imbibers are instantly transported. Step into a British officer's club in 1920s Burma to try the Pegu Club, disembark in

The illustrations are matched with simple recipes and deeply researched backstories for a new look at the world's most iconic cocktails.
