private, intimate place that no one can intrude but Christ, and even He will enter only through an invitation of faith. Once the Spirit enters the core of the believer's heart and establishes residence there, man becomes a true child of God. But baptism, confirmation, receiving the sacraments, church membership, etc., mean nothing unless God has truly inhabited the soul. In *Man: The Dwelling Place of God*, Tozer reveals what it truly means to have Christ within us—like leaving your old life behind, understanding the Bible, making godly choices, loving God for Himself, Christian fellowship, and more.

The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and
