I've been stuck on the same quiz for 4 days now and I keep failing and needing to go in and get it reset the next day but just to fail it again. I was just wondering if there is a way to "skip" or get the answers to this test so I can at least worry about getting the rest done. Also I did start part B of the course aswell but I am currently stuck there aswell, so any help would be great!

The Way to Rainy Mountain recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me's people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty years since its 1969 release, this new edition offers a moving new preface and invites a new generation of readers to explore the Kiowa myths, legends, and history with Pulitzer Prize-winning author N. Scott Momaday.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Presents the text of Alice Walker's story 'Everyday Use'; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

Reboot student learning the right way! Today's most successful school leaders are truly "learning engineers": creative thinkers who redefine their problems and design new ways to better serve kids' success. Technology has a critical role, but it's the creative reinvention of schools, systems, and classrooms that has to come first. In this powerful book, best-selling author and education policy expert Rick Hess and chief learning officer Bror Saxberg show you how to become your school's learning engineer. Using cutting-edge research about learning science as a framework, you'll: Identify specific learning problems that need solving Devise smarter ways to address them Implement technology-enabled, not technology-driven, solutions

The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle. Consisting of a series of episodes in the story of the English outlaw Robin Hood and his band of Merry Men, the novel compiles traditional material into a coherent narrative in a colorful, invented "old English" idiom that preserves some flavor of the ballads, and adapts it for children. The novel is notable for taking the subject of Robin Hood, which had been increasingly popular through the 19th century, in a new direction that influenced later writers, artists, and filmmakers through the next century.

Lillie Olsen carved a permanent place in American literature on a single book, TELL ME A RIDDLE in 1962. This collection was widely hailed as a work of genius, in which the voices of ordinary Americans, black and white, male and female, were given their own rhythms and forms of expression. YONNONDIO, Olsen's only novel, was begun during the depression and completed in 1974. It tells the story of the Hollbrooks, an itinerant working-class family in middle-America during the thirties. Brutalised by poverty, they struggle to find a space to breathe, to dream and to create a better life for their children. Told in compelling, haunting prose, it is a profound and timeless story of the human will to survive.
