Social media and emerging internet technologies have expanded the ideas of marketing approaches. In particular, the phenomenon of the internet in China challenges the common perception of new media environments. Internet Mercenaries and Viral Marketing: The Case of Chinese Social Media presents case studies, textual analysis, media reviews, and in-depth interviews in order to investigate the Chinese " pushing hand " operation from the conceptual perspective of communications and viral marketing. This book is significant to researchers, marketers, and advocates interested in the persuasive influence of social networks.

The remarkable life story of South African tycoon and philanthropist Dr Anton Rupert, told in full. The authors were granted unprecedented access to Rupert's friends, family and business partners, to write the untold story behind this deeply private man.

Traces the life of Marley, looks at his music and its impact on people throughout the world, and discusses the reggae music business, the social history of modern Jamaica, and the origins of the Rastafarian religion
