Preparing readers for the written portion of the Neurology Board examination and the Residency In-Service Training Examination (RITE) of the American Academy of Neurology, Neurology Board Review: An Illustrated Study Guide provides a comprehensive review of the most critical topics in neurology. With the abundance of neuropathology and neuroimaging figures and neuroanatomy and neurophysiology illustrations, readers will not need to refer to multiple sources to prepare for these exams. The book is designed to help readers identify and diagnose multiple disorders covered in the exam or reviewed in residency. Numerous tables and highlighted boxes facilitate the comprehension of difficult but critical information. More than 250 neuroanatomy figures, including MRI, CT, and functional images help readers advance their diagnostic skills. The book also contains a comprehensive review of basic principles of psychiatric disease and related pharmacology as well as a discussion of neuroanatomy, the basics of neuroscience, and neuroanatomic pathways.

Filled with stunning illustrations from the multi-language King of Glory 15-episode movie and 70-scene book, this King of Glory Illustrated Study Guide is a companion tool that wittingly and powerfully reinforces the big-picture truths about God, mankind, sin, and salvation, embedded in the best story ever told. In combination with the movie, this curriculum makes the Bible's foundation and framework refreshingly clear for people of all backgrounds. It is ideal for use in small group studies, homes, personal studies, schools, kids' clubs, homeschool, Sunday school and summer programs, retirement centers, prisons, ESL classes, refugee and immigrant contexts, international projects, camps, retreats, etc. This curriculum is designed for all ages and learning styles. Each of the 15 lessons (called episodes) has five parts: 1. Introduce: Read the introduction on the scroll (2 minutes) 2. Watch: Watch the episode (10 to 20 minutes) 3. Discuss: Five to ten questions (5 to 20 minutes) 4. Reflect: Talk about or memorize a verse (5 minutes) 5. Reinforce: Do the interactive exercises (10 to 30 minutes) Adaptable for all schedules, contexts, cultures, and time-limitations. King of Glory the movie and book take you on an intense ride through the Scriptures of the prophets as it chronologically and accurately unfolds their story and message in a way that makes sense. www.king-of-glory.com

An Illustrated Guide to Furniture History provides upper-level students and instructors with an alternative visual analytical approach to learning about furniture history from Antiquity to Postmodernism. Following an immersive teaching model, it presents a Nine-Step Methodology to help students strengthen their visual literacy and quickly acquire subject area knowledge. Moving chronologically through key periods in furniture history and interior design, such as the Renaissance, the Arts and Crafts Movement, and Modernism, it traverses Europe to America to present a comprehensive foundational guide to the history of furniture design. Part I addresses furniture within the context of the built environment, with chapters exploring the historical perspective, construction principles, and the categorization of furniture. In Part II, the author visually depicts the structural organization of the methodological process, a three-category framework: History, Aesthetics, and Visual Notes. The chapters in this part prepare the reader for the visual analysis that will occur in the final section of the book. The book is lavishly illustrated in full color with over 300 images to reinforce visual learning and notation. A must-have reference and study guide for students in industrial and product design, interior design, and architecture.

Many readers of the Pearl of Great Price give the facsimiles in the book of Abraham only a cursory glance before turning to something more familiar and understandable. That's because the facsimiles are Egyptian in nature and do not seem relevant in our modern world of gospel enlightenment. So what is their worth? It is self-evident that we have received no useless and unneeded revelations, said Elder Bruce R. McConkie. All that the Lord does has a purpose and serves a need. A Study Guide to the Facsimiles of the Book of Abraham shows the meaning of every character in the facsimiles and helps readers comprehend their great value. As translated by the Prophet Joseph Smith, they bear witness of the gospel as had by Adam, Noah, and other ancient patriarchs. Appealing to translation, inspiration, and likening, author Allen J. Fletcher brings to light the more mysterious components of the facsimiles, helping us make sense of them in our day and apply their timeless teachings in our lives.

National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent/the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls "a book to break your heart and heal it," The Best We Could Do brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Eighteen science fiction stories deal with love, madness, and death on Mars, Venus, and in space.
