Because if there's one thing he knows for certain, it's that the people you love are the ones who have the power to destroy you. As their worlds collide, they'll have to make the ultimate choice. And she sure didn't expect to feel the overwhelming attraction that pulls her to the man who has more issues than she can count on both hands. Like the hotel rooms and tour buses he's famous for trashing, the havoc he could wreak on Stella's heart would be irreparable. But without her, he'll lose everything. Because he's on his last second chance.

It can be read alone or enjoyed with the other books in the series. ~ ~ ~ If I met Alexandra DeLuca for the first time today, I would only need one word to describe her: MINE. Now that she's back home working and taking classes beside me, she's bound to make me lose my mind. She's all I've ever wanted, all I've ever dreamed of, and the one thing I can never have. I keep my distance because we didn't meet for the first time today. We met five years ago when I was a different person. When my demons ruled me. Even though I've changed--even though I've gotten my life together and become a better manI can't change the past. And the secrets that haunt me would destroy her.
