Richard Brautigan - In Watermelon Sugar - Blogger

"Watermelon Sugar" is a song by English singer Harry Styles from his second studio album *Fine Line* (2019), included as the album's second track. Styles wrote the song with Mitch Rowland and the song's producers, Tyler Johnson and Kid Harpoon. They were inspired by the American novel *In Watermelon Sugar* (1968) by Richard Brautigan. "Watermelon Sugar" is a horn and guitar-driven rock, funk-pop ...

Brautigan book, 'In Watermelon Sugar' was on the...

The book that inspired Harry Styles's 'Watermelon Sugar'

'In Watermelon Sugar' is a fabulistic portrayal of a community based in the fictional town of iDEATH captured by a resident, unnamed narrator who, with a poetic, wistful detachment, offers a personal view of this strange utopian oddity where the sun shines a different colour every day of the week, and dark, mysterious elements gather and disperse on the town's fringes.

Death is a place where the sun shines a different colour every

playful, and melancholy novel that wanders from San Francisco through the country's rural waterways—a book “that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America . . . An instant cult classic” (Financial Times). *The Pill Versus the Springhill Mine Disaster* is a collection of nearly one hundred poems, first published in 1968. *And In Watermelon Sugar* expresses the mood of a new generation, revealing death as a place where people travel the length of their dreams, rejecting violence and hate. During his lifetime, *Look* magazine observed, “Brautigan is joining Hesse, Golding, Salinger, and Vonnegut as a literary magus to

the literate young." A uniquely imaginative writer of the Beat movement who became an icon of the hippie era, he is still a favorite of readers today.

B. Elwin Sherman is a humorist/author living in the New Hampshire North Country, where he writes a syndicated humor column and often reinvents "the cottage industry survival kit." His books have gone largely unheralded, "because I do nothing to promote them. No one should ever have a legacy before they're dead. Life is embarrassing enough without that." He first read Richard Gary Brautigan's works in college, "when everyone else was lugging around Nietzsche and Kant for ballast. I

kept In Watermelon Sugar in my hand because there was a tsunami on the horizon, and there I was without a beach umbrella."

A book "that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America . . . an instant cult classic" (Financial Times). Richard Brautigan was a literary idol of the 1960s and '70s who came of age during the heyday of Haight-Ashbury and whose comic genius and iconoclastic vision of American life caught the imaginations of young people everywhere. Called "the last of the Beats," his early books became required reading for the hip generation, and on its publication Trout Fishing in

America became an international bestseller. An indescribable romp, the novel is best summed up in one word: mayonnaise. This new edition features an introduction by poet Billy Collins, who first encountered Brautigan's work as a student in California. From the introduction: "'Trout Fishing in America' is a catchphrase that morphs throughout the book into a variety of conceptual and dramatic shapes. At one point it has a physical body that bears such a resemblance to that of Lord Byron that it is brought by ship from Missolonghi to England, in 1824, where it is autopsied. 'Trout Fishing in America' is also a slogan that sixth-graders enjoy writing on the backs of first-graders. . . . In one notable

Read Book In Watermelon Sugar Richard Brautigan

exhibition of the title's variability, 'Trout Fishing in America' turns into a gourmet with a taste for walnut catsup and has Maria Callas for a girlfriend. Through such ironic play, Brautigan destabilizes any conventional idea of a book as he begins to create a world where things seem unwilling to stay in their customary places."

The brevity of these 62 ultra-short stories, set in 1960s California, is deceptive. What Brautigan has rejected in terms of length, he compensates for with his offbeat perceptiveness, bitter-sweet ironies and dry, self-deprecating wit.

Read Book In Watermelon Sugar Richard Brautigan

Confident and robust, Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan, author of Troutfishing in America and A Confederate General from Big Sur, among many others. When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised. To many, Brautigan was shrouded in enigma, erratic and unpredictable in his habits and presentation. But his career was formidable, an inspiration to young writers like Hjortsberg trying to get their start. Brautigan's career wove its way through both the Beat-influenced San Francisco

Read Book In Watermelon Sugar Richard Brautigan

Renaissance in the 1950s and the "Flower Power" hippie movement of the 1960s; while he never claimed direct artistic involvement with either period, Jubilee Hitchhiker also delves deeply into the spirited times in which he lived. As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer's world. Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life. Part history, part biography, and part memoir this etches the portrait of a man destroyed by his genius.
