It's only one semester. This is the Spring 2018 version. See the author page for the undated version and other dated versions available. The student planner for your inner rebel! You're a creative student. You need the flexibility to record your schedule of classes and activities in the way that works best for you. Plan one semester at a time, and avoid being overwhelmed. A variety of blank lists, graphs and boxes make this ideal for the student who loves to doodle, create and organize. Class pages track projects, labs, exams and contact information. Calendars have extra pages for the weeks surrounding each semester. There are no suggestions for what to put in what box (other than the form for your individual classes.) Since you might possibly want to pass those classes, it might be a good idea to fill in the requirements. No pressure. It's your life. Sadly, we simply couldn't get around the fact that there are seven days in a week, and they all have names. But you can rename them if you want. See the back cover and/or the "Look Inside" feature to see the individual forms.

A New Mexico pottery dealer cracks a perplexing mystery in this "winning blend of humor and character development " (Publishers Weekly). Hubert Schuze is an adjunct professor at the University of New Mexico in Albuquerque, and he has a fairly lucrative side gig digging up ancient relics and selling them. He also seems to have a talent for finding killers. When Hubie discovers a body outside his pottery shop, it appears the victim was stabbed in the back with something resembling a screwdriver. But the story gets a lot more mysterious when a video turns up showing the man collapsing with no one else nearby. Furthermore, a slip of paper is found in his pocket, with Hubie ' s name and address on it, suggesting there may be a connection between the two men—though Hubie has no idea what it could be. Now, the professor and pottery expert must put his sleuthing skills to work—while simultaneously managing his new role running the university ' s art department—to piece together the shards of a baffling crime in this " breezy " novel from a winner of the Left Award for Best Humorous Mystery starring a " witty " amateur detective (Albuquerque Journal). " [A] winning series. " —Susan Wittig Albert, New York Times–bestselling author of the China Bayles Herbal Mysteries

Haunted by a fire that claimed the lives of two colleagues, Julie Burke seizes upon an unexpected inheritance from her aunt as the lifeline it is. Claiming the large Queen Anne home in Wisconsin, she hopes to escape the nightmares. Free to pursue her passion for music, Julie's path crosses more and more frequently with that of the attractive and intriguing Elisabeth de Gramont. Elisabeth isn't ready for a new relationship, even with the charming newcomer. She tells herself that Vickie Read's betrayal has left her numb but the feelings that stir as she watches the predatory Vickie circle Julie are more than protective.

For the past six seasons, Tristan Stark has been chasing storms throughout the Midwest for the University of Oklahoma. Teaching during the winters and hitting the road during the spring, Tristan has little time for herself, let alone time to have a solid relationship. Rival storm chaser Kate Brighten is just starting out and winds up riding along with Tristan for two weeks. It doesn ' t take long for the two to begin a tumultuous love affair on the road. But the road can ' t last forever and Kate isn ' t everything she seems. Once trust is broken, it ' s difficult to rebuild. Can Tristan accept Kate ' s secrets? Or will their love be washed away in the spring storms?

An education in amore? Yes please, Professore! Undergrad Bridget is no stranger to romantic advances from men. But when she meets Owen, an instant friendship forms, even though Owen happens to be Bridget ' s Italian teacher. Neither of them intends to cross that line, but once they do, they can ' t deny the passion and chemistry between them. Aware that their tryst is taboo, they keep their relationship clandestine. But like all juicy secrets, this one doesn ' t stay hidden for long. And once it ' s out, Owen and Bridget must decide what they ' re willing to risk in the name of love.

The Wind-Up Bird Chronicle is a tour de force—and one of Haruki Murakami ' s most acclaimed and beloved novels. In a Tokyo suburb, a young man named Toru Okada searches for his wife ' s missing cat—and then for his wife as well—in a netherworld beneath the city ' s placid surface. As these searches intersect, he encounters a bizarre group of allies and antagonists. Gripping, prophetic, and suffused with comedy and menace, this is an astonishingly imaginative detective story, an account of a disintegrating marriage, and an excavation of the buried secrets from Japan ' s forgotten campaign in Manchuria during World War II.

This is the unlikely success story of an unconventional business with an unconventional owner. ToyBurg started in Steven Seeberger ' s garage in 2006 and within 5 years had exploded into a multi-million dollar company. As it has grown, ToyBurg has maintained a small business feel, eating lunch together as a company and inviting spouses and children to drop in anytime. With their unique employee perks, including free housecleaning, personal fitness training, camping trips, and Caribbean cruises, this company has been an anomaly from the beginning. As you read the story of this young husband who was willing to think outside the box to provide for his family and then his employees, you will be inspired to take risks and think outside the box for yourself as well.

Kate Standard had never wanted her life to be ordinary. A successful classical pianist and the girlfriend of move-hero Will Hollister, her life is anything but ordinary-until Will is jailed on drug charges and she must admit to herself that their affair had been dying long before his conviction. Even worse, the ugly publicity surrounding his case has all but destroyed her professional career. To escape the ever-present paparazzi, she accepts a temporary teaching job at a small college near San Diego, going from a high profile, luxurious lifestyle to living in a granny flat, cooking and cleaning for herself, and shepherding ten piano students through their first semester. Though she thinks she is simply marking time until her agent can get her new bookings, Kate finds that the months at Seaton College test her courage but give her gifts she didn't know she needed.
