For fans of J. R. Ward, Nalini Singh and Charlaine Harris, the third novel in The Lost Angels from New York Times bestselling author Heather Killough-Walden. Are you ready to meet the angels of your dreams? As the former Archangel of Death, Azrael has always stood apart from his brothers. Cursed to rule from the darkness, he is not only one of the four favored archangels, but the very first vampire, and king among his kind. Sophie Bryce is a woman scarred by the dark secrets of her past. Though she is overwhelmingly attracted to the brooding archangel, she simply cannot believe that she is the one fated to be with such an extraordinary being. But Azrael has known differently from the moment he laid eyes on Sophie and he will stop at nothing to win her heart - even if he has to fight an army of unimaginable evils to do so... The Lost Angels will compell you into a world of desire, danger and devastation. Read the whole series: Always Angel, Avenger's Angel, Messenger's Angel, Death's Angel, Warrior's Angel and Samael.

In Transforming the Mainline Church, Robert Chesnut provides valuable lessons for inner-city churches. He urges congregations to be more open to diversity, to emphasize the arts and music, to support entrepreneurial leadership, and to move beyond denominational concerns to an approach that responds to the religious hungers of a new generation.

This book shows an update in the field of micro/nano fabrications techniques of two and three dimensional structures as well as ultimate three dimensional characterization methods from the atom range to the micro scale. Several examples are presented showing their direct application in different technological fields such as microfluidics, photonics, biotechnology and aerospace engineering, between others. The effects of the microstructure and topography on the macroscopic properties of the studied materials are discussed, together with a detailed review of 3D imaging techniques.

The Senior Clerical Series Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: office practices; office record keeping; keyboarding practices; English grammar, usage and punctuation; spelling; and more.

Do you remember the last time a book gave you the chills? The Dead Path is the ghost story we\u2019ve been waiting for. A haunting vision in the woods sets off a series of tragic events, leaving Nicholas Close lost amid visions of ghosts trapped in their harrowing, final moments. These uniquely terrifying apparitions lead him on a thrilling and suspenseful ride to confront a wicked soul, and will leave an indelible mark on lovers of high-quality suspense and horror alike. Nicholas Close has always had an uncanny intuition, but after the death of his wife he becomes haunted, literally, by ghosts doomed to repeat their final violent moments in a chilling and endless loop. Torn by guilt and fearing for his sanity, Nicholas returns to his childhood home and is soon entangled in a disturbing series of disappearances and murders\u2013both as a suspect and as the next victim of the malignant evil lurking in the heart of the woods. Stephen M. Irwin is the kind of debut author that readers love to discover\u2013and rave about to all their friends. His electric use of language, stunning imagery, and suspenseful pacing are all on full display here. The Dead Path is a tour de force of wild imagination, taut suspense, and the creepiest, scariest setting since the sewers in Stephen King\u2019s It. From the Hardcover edition.

What is God like? Can I trust Him? Does He know me and can He help me tackle the challenges I face? Most people know a little something about God, but their knowledge of who He is and how He works stops just past the point of an initial introduction. Why is it so important to know the One who knows all about you? The answer is simple: when you come to a point where you understand His ways, your life takes on new meaning. You stop looking at old problems and feeling defeat, fear, and anxiety. Suddenly, you realize that the Person who gave you life has set an amazing course for you to follow. In Step with God offers simple, clear teaching that encourages and challenges you to approach life and its decisions\u2013both big and small\u2013by first knowing and considering God\u2019s character. \u201cThe nearer I draw to the Lord,\u201d writes Dr. Stanley, \u201cthe more I will know about Him!\u201dHis love for me and His good plans and desires for my life. Plus, the more intimate I become with God, the better I understand His way, and this understanding leads to a deeper longing to know God better. I learn how to discern His will for my life and the situations I encounter.\u2026
