Jerusalem is an ancient city, founded as the City of David in 1010 BC, but there is evidence of settlements going back to 4500 BC. It has been conquered more than 40 times by various nations,... Read Later. Read more.

**Jesus | Ancient Origins**

English form of Ἰησοῦς (Iesous), which was the Greek form of the Aramaic name ܝܫܘܥ (Yeshu'a). Yeshu'a is itself a contracted form of Yehoshu'a (see JOSHUA ). Yeshua ben Yoseph, better known as Jesus Christ, was the central figure of the New Testament and the source of the Christian religion. The four gospels state that he was the son of God and the Virgin Mary who fulfilled the Old Testament prophecies of the Messiah.

**Meaning, origin and history of the name Jesus - Behind the ...**

You should be aware that "Jesus" is an Anglicized version of IESU , "IESU", the Roman version of Iesous! Therefore, the popular, but not biblical, "Jesus" is linguistically connected to the Greek Pantheon (son of Zeus), and not the Hebrew " Y a H ' S hua".

Jesus' real name, Yeshua, evolved over millennia in a case of transliteration. Wikimedia Commons The Greek transliteration of Jesus' real name, "Iʿsuous", and the late Biblical Hebrew version "Yeshua". Regardless of religious belief, the name "Jesus" is nearly universally recognizable. However, it may come as a surprise that the name millions of Christians all over the world are implored not to take in vain was not actually "Jesus" at all.

**Yeshua: The History And Evolution Of Jesus' Real Name**

The English spelling of the Hebrew Yeshua is Joshua. But when translated from Hebrew into Koine Greek, the original language of the New Testament, the name Yeshua becomes Iʿsuous. In English, Iʿsuous becomes Jesus. Thus, Yeshua and, correspondingly, Joshua and Jesus mean "Yahweh saves" or "the Lord is salvation."

**What is the meaning of the name Jesus? What does the name ...**

The earliest images that have been uncovered supposedly portraying Jesus have been dated to around A.D. 240-256. Obviously, these artists, who lived 200 years after Christ's ascension to heaven, had never seen Him or known any of His contemporaries. Instead of trying to directly portray Him, these early images represented Christ symbolically.

**Where Did the Popular Image of Jesus Come From? - Life ...**

The precise origin of assigning December 25 as the birth date of Jesus is unclear. The New Testament provides no clues in this regard. December 25 was first identified as the date of Jesus' birth by Sextus Julius Africanus in 221 and later became the universally accepted date.

**Christianity - Dogma, Definition & Beliefs - HISTORY**

The name of Jesus is a 400 year old name approximately, because the English language never had the letter "J" till then. This is very important, because it says in the Bible by one name only shall you be saved. So it becomes frightfully important. Because it is a recent name not known by THE ALMIGHTY.

**Is Jesus Zeus - Hidden Bible**

Jesus H. Christ is a more obscure version of the name Jesus Christ brought to wider attention in Mark Twain's autobiography during the 19th century. The American novelist was recalling his time as...

Bird argues that Jesus was attempting to achieve and enact the restoration of Israel, and in continuity with other strands of Jewish belief, Jesus conceived of the restoration of Israel as resulting in the salvation of the gentiles. Jesus' mission was Israel-centric, but he espoused a view of restoration that was indebted to certain strands of Israel's sacred traditions where the gentiles are implicit beneficiaries of Israel's salvation. Since this restoration was already being partially realized in Jesus' ministry, it was becoming possible for gentiles to begin sharing in Israel's salvation in the present. Additionally, Jesus understood himself and his followers to be the new temple and the vanguard of the restored Israel who would appropriate for themselves the role of Israel and the temple in being a light to the nations. Thus, a gentile mission has its germinal roots in the aims and intentions of Jesus and was developed in a transformed situation by adherents of the early Christian movement.

In his recent book How Jesus Became God: The Exaltation of a Jewish Preacher From Galilee historian Bart Ehrman explores a claim that resides at the heart of the Christian faith– that Jesus of Nazareth was, and is, God. According to Ehrman, though, this is not what the earliest disciples believed, nor what Jesus claimed about himself. The first response book to this latest challenge to Christianity from Ehrman, How God Became Jesus features the work of five internationally recognized biblical scholars. While subjecting his claims to critical scrutiny, they offer a better, historically informed account of why the Galilean preacher from Nazareth came to be hailed as “the Lord Jesus Christ.” Namely, they contend, the exalted place of Jesus in belief and worship is clearly evident in the earliest Christian sources, shortly following his death, and was not simply the invention of the church centuries later.

Featuring the latest archaeological and historical discoveries, this guide illustrates the people and events that shaped the life of Jesus, from his birth in Bethlehem to his death in Jerusalem.

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

In Pagan Origins of the Christ Myth, John G. Jackson sources the pagan origins of Christian doctrine with particular focus on the creation and atonement myths. Rooted in historical facts, Jackson's claims are steeped in research and demonstrate how Christianity synthesizes the rituals, beliefs, and characteristics of savior gods from ancient Egyptian, Greek, Aztec, and Hindu origins. This concise introduction remains an insightful contribution to comparative religion studies.

An uplifting study of Jesus, his times and his teaching

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.
