with the others, I found it a page-turner.
Although each book stands alone, I do

~~Lethal Legacy~~, the third and last book in Irene Hannon's Guardian of Justice series, is probably my least favorite in the series. While I did really enjoy it, I loved the first two. I loved the characters and found the story interesting, it is just that, at times, I found the suspense lacking (probably because the killer To be posted on my blog 8/9: <http://christianbookshelfreviews.blog...>

As with the previous two books, Lethal Legacy is fast-paced and intense in the storyline. Although the killer is predicted early on and revealed halfway through the book, it's still a fun ride seeing how it all comes together. The characters are strong and likeable, and it's fun to see the characters from the previous books in many scenes.

I've read all three of the Guardians of Justice Books, and I liked this one the most. Irene Hannon is a well known author and does justice :) to the romantic suspense genre. She does a lot of study before entering into a book--whether its about Navy Seals or US marshals or detectives.
