This newly expanded 5th edition of Lippincott's Alternate-Format Questions has everything you need to be fully prepared to answer every type of question you will encounter on the NCLEX. More than 350 questions include multiple reponse questions, drag-and-drop questions, hotspot questions, audio questions, chart questions, graphic option questions, and fill-in-the blank questions. Also includes a comprehensive test with an additional 150 questions. The rationale are clear and detailed and cover correct as well as incorrect answers. In this new edition, the test-taking strategies are expanded, to help you dissect each question to its core components and provide keys to choosing the right answer. Covers all the topics covered on the exam.

Lippincott Review for NCLEX-PN , 12E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 261 items-- more than the

maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2020 PN test plan and include the use of all the types of alternate-format questions found on the licensing examination. An accompanying electronic site provides book purchasers an opportunity to practice the same questions in an electronic format and gives them access to a 7-day free trial of the PassPoint PN product.

Lippincott's NCLEX-RN Review Cards, Fifth Edition provide 1,000 practice questions in a flash card format to help students prepare for the NCLEX-RN exam. The cards feature multiple-choice and alternate-format questions that align with the current NCLEX-RN test plan, and cover fundamental nursing concepts and skills, including medical-surgical, psychiatric and mental health, maternal-neonatal, and pediatric nursing. The front of each card poses the questions, and the back features correct answers, rationales for correct and incorrect responses, as well as the client needs category, client needs subcategory, and taxonomic level for each question. The card deck also includes a comprehensive practice test. Perfect for self- or group study, it provides comprehensive review as well as the option for a "quiz-game" challenge.

The 11th edition of Lippincott's Q&A Review for NCLEX-RN provides the highest-quality practice questions, detailed rationales, and preparation strategies needed to succeed on the NCLEX-RN® examination. This revised reprint has been updated to ensure that content will help both U.S. and Canadian students to succeed on the licensure examination, with enhanced laboratory values, medication information, and diversity representation. The practice tests are organized into four major content areas: obstetrics, pediatrics, medical-surgical, and mental health nursing, and are followed by 6 comprehensive tests with a random selection of questions from all content areas. Other features include rationales for both incorrect and correct answers choices, all the types of alternate-format questions found on the NCLEX, an overview of the licensing examination, test-taking strategies for each question format, and study tips, including instructions for creating a personal study plan.

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

Revised to meet the latest Board of Nurse Examiners criteria for the NCLEX-RN®, this book uses the well-known Incredibly Easy! approach to make NCLEX® review effective and enjoyable. In a light-hearted manner that reduces anxiety and aids retention, the book thoroughly reviews every area of nursing—adult care, psychiatric care, maternal-neonatal care, care of the child, leadership and management, and law and ethics. This edition includes a new chapter on how to prepare for the NCLEX®, plus 200 alternate-format questions and answers added to the appendix and accompanying CD-ROM. The book also includes an entertaining graphic novel depicting the NCLEX® process from application to license and valuable strategies for successfully passing the exam.

NCLEX-RN REVIEW MADE INCREDIBLY EASY, 6E is designed to help nursing students prepare to take the licensing examination. The book blends critical content review in an easy-to-follow and bulleted format, pharmacology tables that summarize core medication information, and thousands of questions covering all the Client Need categories of NCLEX and the major content areas of pre-licensure programs. The book is divided into seven parts. Part I explains the basics of NCLEX test construction and gives ideas to students about how they should prepare. Parts II to V are designed to support the four major content areas of pre-licensure programs: medical-surgical, psychiatric/mental health, maternity, and pediatric nursing. Within these four sections, each begins with a bulleted content review of essential concepts, followed by multiple questions and answers in a side-by-side format. Part VI, "Issues in Nursing," emphasizes content areas that do not easily fall in any of the other sections: management/supervision and ethical/legal issues. Part VII consists of two comprehensive tests. One contains 75 questions (the minimum number of items any student taking the NCLEX RN will receive) and the other contains 265 questions (the maximum number of items any student taking the NCLEX RN will receive). The product offers more than 3,000 questions that prompt active learning and higher-order thinking. The questions align with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, and information about the NCLEX-RN. An accompanying code gives student access to a 7-day free trial of Lippincott PassPoint-RN.

Master the critical-thinking and test-taking skills you need to excel on the prioritization, delegation, and management questions on the NCLEX-RN®. Three sections provide you with three great ways to study. In the first section, you'll find individual and multiple client care-focused scenario questions organized by disease process with rationales and test-taking hints. The second section features seven clinical case scenarios with open-ended, NCLEX-style questions. The third section is a comprehensive, 100-question exam.

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and

vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205 questions asked on the NCLEX-PN--to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.
