Murder by murder, rape by rape, he established the biggest chain of brothels ever seen in New York. Everything—everyone—he touched turned rotten. He knew he had it made when he had more cops on his payroll than prostitutes. This is the Lucky Luciano story—brutal, shocking, with nothing left out.

"He was born and died in Italy, yet the influence on America of a grubby street urchin named Salvatore Lucania ranged from the lights of Broadway to every level of law enforcement, from national politics to the world economy. First, he reinvented himself as Charles ("Lucky") Luciano. Then he reinvented the Mafia. His story was Horatio Alger with a gun, an ice pick and a dark vision of Big Business." - Edna Buchanan, Time Magazine The Mafia has long fascinated Americans, who have made celebrated pop culture fixtures out of men like Al Capone and turned movies and television series like The Godfather and The Sopranos into American institutions despite the violence associated with organized crime. Of all the notorious mobsters of the 20th century, the one most instrumental in putting the organization into organized crime and thus establishing the Mafia as it's recognized today was Lucky Luciano. Eventually Lucky would run out of luck. After being arrested dozens of times over a 20 year period, Luciano was imprisoned in the mid-'30s, and a decade later he would be deported back to Italy. Nevertheless, Lucky continued to try to fight for control of organized crime in New York from his jail cell, Italy, and Cuba, staying in the game until the very end.
