Medicaid planning is an area that you don't want to do-it-yourself. There are some clients who come up to elderly attorneys saying that they have already done some Medicaid planning when they just actually got tips from their neighbors and are just afraid of perceived expensive lawyer fees. Firstly, every situation is different.

### *Medicaid Planning: Protect Your Assets | Medicaid Secrets*

To achieve Medicaid eligibility, people can turn to a Certified Medicaid Planner™. Because Medicaid planning covers a diverse group of professionals (i.e., attorneys, accountants, financial advisors, care managers, social workers, etc.), it's a good idea to have a team member who knows Medicaid planning and can work with other on the team to help the consumer achieve his/her planning goals.

### *Medicaid Planning Services*

Given the critical nature of acceptance into Medicaid and the lack of a healthy spouse to engage in planning, the use of a Medicaid Planner is recommended. A Healthy Couple Doing Long Term Planning For healthy families wishing to preserve some of their assets for their children and grandchildren, working with a planner is helpful, but not critical.

### *Medicaid Planning: Pros & Cons, Costs and Strategies*

In the case of a married couple, one basic Medicaid-planning strategy is to transfer any assets that are in the name of the spouse who needs care to the name of the

If you wish to advise clients how to qualify for nursing home Medicaid while protecting their assets, this is the definitive book! Written by an elder law attorney with over 25 years of experience, this manual is the professional edition version of attorney Heiser's best-selling Medicaid Secrets book. This manual is geared toward attorneys, accountants, and financial advisors seeking up-to-date and accessible information on the Medicaid program rules as well as a complete analysis of available Medicaid asset protection techniques for their clients. Includes a summary of all income and asset rules for both married and single individuals, together with numerous examples and several case studies, which take the planner through the same thought processes that an experienced elder law attorney would go through when analyzing a real-life client's situation. The book includes tips on: how to title the home so the client does not lose it to the state; how to make transfers to family members that won't disqualify the client from Medicaid; how "Medicaid annuities" work to make assets "disappear" for Medicaid eligibility purposes; clever ideas for "spending down" assets; what to change in a client's will to save thousands of dollars if the spouse ever needs nursing home care; avoiding the state's reimbursement claim following the nursing home resident's death; and much more. The 2016 Edition has been expanded, revised, and completely updated to incorporate all changes in the law as of January 1, 2016, and includes two chapters on Veterans' benefits as well as a 39-page Ethics of Elder Law section. Completely annotated with all case citations and statutory references given in over 550 footnotes. Also includes full copies of relevant
