Mel Robbins broke self-publishing records and changed the lives of millions of people with her bestselling global phenomenon, *The 5 Second Rule*. And now, she's back with *The High 5 Habit* and on a mission to help you change your life. Don't let the title fool you. This isn't a book about high fiving everyone else in your life. You're already doing that. Instead, Mel teaches you how to start high fiving the most important person in your life, the one who is staring back at you in the mirror: YOURSELF. If you struggle with self-doubt (and who doesn't?) ...If you're tired of that nagging critic in your head (could somebody evict them already?) ...If you're wildly successful but all you focus on is what's going wrong (you're not alone) ...If you're sick of watching everybody else get ahead while you sit on the couch with your dog (don't bring your dog into this) ...Mel dedicates this book to you. Using her signature science-backed wisdom, Mel will teach you how to make believing in yourself a habit so that you operate with the confidence that your goals and dreams demand. *The High 5 Habit* is a simple yet profound tool that changes your attitude, your mindset and your behaviour. So be prepared to laugh and learn as you take steps to immediately boost your confidence, happiness and results.

ARE YOU READY TO FINALLY TAKE CONTROL OF YOUR LIFE? THEN YOU NEED TO LEARN THE FIVE SECOND RULE! *The 5 Second Rule: Transform Your Life, Work, and Confidence with Everyday Courage* by Mel Robbins is a motivational self-help book that focuses on helping readers gain the confidence they need to follow their first instincts. Using her own personal story, Mel Robbins invites readers to follow along in seeing how she changed various aspects of her life using the 5 second rule. According to Robbins, individuals only have five seconds to act on an impulse before they hesitate. In order to overrule one's hesitation, he/she must commit to acting by the time he/she counts down 5-4-3-2-1. Robbins refers to these moments as "push moments." These are the times when you have a thought about something such as approaching someone new or speaking up in a meeting. If individuals act rather than think, they will grow more courage and gain confidence. As individuals begin to use this starting ritual in their everyday lives, they will begin to see changes in their personal and professional lives. This starting ritual is a way to combat self-doubt and fear by making yourself physical move forwards.
