This is a straight-forward and user-friendly guide to the Tagalog language. Tagalog for Beginners is the book to help you learn Tagalog (Filipino) on your own, easily and accurately—whether you're traveling to the Philippines for a vacation or a business trip, or you have ties to the large Tagalog-speaking community in the U.S., or you're simply a language lover. From the fascinating history of Philippines' language to how you speak it, join skilled teacher Barrios on a guided introduction—with a practical focus. After journeying through the carefully-paced explanations, conversations, cultural info, and activities in Tagalog for Beginners, learners will be able to use Tagalog (Filipino) in a wide range of common situations. From shopping for food to asking directions, from telling time to expressing how you feel, this book gives you the communication skills you need. The downloadable audio helps reinforce pronunciation and improve listening comprehension. Helpful suggestions guide heritage learners (those of Filipino descent but born outside the Philippines) on how to use the book most effectively for their needs. Key features include:: Accompanying downloadable audio audio. Realistic dialogues to bring the language to life. Activities and exercises to help you read, write, speak and understand. Notes on the Tagalog language and history. A special section guides native (heritage) learners and instructors on how to use the book most effectively for their needs.

Already completed Michel Thomas Total Spanish? Take your Japanese to the next level with this acclaimed follow-on to the Michel Thomas Method Total Course. No books. No writing. No memorizing. - Guaranteed success. Speak and understand perfectly - Incredible progress. Get what you want, fast - Absolute confidence. Unleash your natural learning style without trying The Method: Stress-free audio learning Michel Thomas teaches you through your own language, so there's no stress, and no anxiety. He builds it up, step by step, and you don't move on until you've absorbed and understood the previous point. And, as Michel Thomas said, 'What you understand, you know; and what you know, you don't forget.' With parallels to the way you learned your own language, each language is learned in 'real-time' conditions. There is no need to stop for homework, additional exercises or vocabulary memorization. A 'virtual' classroom The classroom situation on the recording lets you learn with others. You enjoy their success, and you learn from their mistakes. The students on the recordings are not reading from scripts and they have received no additional instruction or preparation - just the guidance you hear on the recording. You, as the learner, become the third student and participate actively in the class. There's no such thing as a poor student, only a poor teacher This is an important part of the Michel Thomas Method. Full responsibility for your learning lies with the teacher, not with you, the pupil. This helps to ensure that you can relax and feel confident, allowing you to learn effectively. Why it Works: Learn another language the way you learned your own You learned your own language naturally and enjoyably: now you can learn Japanese in the same way. You'll stick with it because you'll love it. Use the unique method perfected over fifty years by the celebrated psychologist and linguist Michel Thomas.

If you have ever tried to learn another language, you know that learning it can be an extremely intimidating endeavor. Spanish Now! teaches you the essentials of learning conversation Spanish including:-Proper Grammar-Sentence Structure-Masculine and Feminine Conjugation-Essential Nouns, Verbs and Adjectives-Real Practice Examples! You may feel self-conscious about sounding wrong and not knowing it until someone else laughs or you are corrected. It takes time. You won't be a fluent speaker over night, but Spanish Now! teaches you what you need to know to begin conversing in a few weeks or less! And Most people who are native speakers are actually happy to have the chance to talk in their native language, especially if you are a novice and indicate that you are trying to learn the language. When it comes to learning Spanish, you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with Spanish is vocabulary. Spanish Now! tackles vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding.Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish to speak with anyone. Regardless of the nation a native Spanish speaker is from (ie. Mexico, Argentina, or Spain), you will be able to feel confident that you have the basics to converse in the Spanish language.Buy Spanish Now! and learn Spanish in a few weeks or less!
