**Missional Motherhood: The Everyday Ministry of Motherhood ...**

There's no such thing as "just" a mom. Despite the routine tasks and mundane to-do lists, motherhood is anything but insignificant. God has designed motherhood as part of his greater plan to draw people to himself—instilling all women, whether called to traditional mothering or not, with an eternal purpose in nurturing others. In this book, Gloria Furman searches the Scriptures for the mission of God in motherhood. She opens our eyes to God's life-giving promises—promises intended to empower each and every woman as she makes disciples in her home, in her neighborhood, and around the world.

A 6-session study for women who long to see God's greater meaning and purpose for motherhood and the nurturing gifts they demonstrate daily.

The work that goes into managing a home can sometimes feel boring and insignificant. Furman reminds women of the gospel's extraordinary power over ordinary life, helping homemakers see and savor the miraculous in the mundane.

Grocery shopping. Soccer practice. Dirty dishes. Motherhood is tough, and it often feels like the to-do list just gets longer and longer every day—making it hard to experience true joy in God, our children, and the gospel. In this encouraging book for frazzled moms, Gloria Furman helps us reorient our vision of motherhood around what the Bible teaches. Showing how to pursue a vibrant relationship with God—even when discouragement sets in and the laundry still needs to be washed—this book will help you treasure Christ more deeply no matter how busy you are.

A PUBLISHERS WEEKLY BESTSELLER Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wilfer help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

Discover how understanding God's purpose and design can empower you to be the mother you long to be. No calling is greater, nobler, or more fulfilling than that motherhood. Every day, as we nurture our children, mothers influence eternal destiny as no one else can. Tragically, today's culture minimizes the vital importance of a mother's role. In *The Mission of Motherhood*, Sally Clarkson helps you rediscover the joy and fulfillment to be found in the strategic role to which God in all his wisdom has called you, for a purpose far greater than you can ever imagine.

Because Motherhood Isn't Just a Job. It's a Calling. A mother's day is packed with a multitude of tasks that require energy and time: preparing meals, washing clothes, straightening and cleaning the house, and caring for children. These jobs all are necessary and crucially important. But in the dailyness of providing for a child' s physical, emotional, and social needs, vital opportunities for spiritual nurture and training can be overlooked. This doesn't have to be the case. You can focus your energy on what matters most. Learn how you can: • Make Life's Mundane and Nitty-Grity Moments Work for You and Not Against You. • Discover Ways to Make Character-Building a Natural Part of Live. • Teach Your Child in the Same Way Jesus Taught the Disciples. • Pass on Crucial Gifts that Will Serve Your Family for a Lifetime. Using biblical wisdom and practical teachings, Sally Clarkson shows how you can make a lasting difference in your child's life by following the pattern Christ set with his own disciples—a model that will inspire and equip you to intentionally embrace the rewarding, desperately needed, and immeasurably valuable Ministry of Motherhood.

The world is filled with messages for women about pregnancy. Popular books and well-meaning family and friends offer unsolicited advice about what to expect and how to stay healthy—sometimes resulting in joy and excitement but other times leading to discouragement and fear. The Bible, too, has a lot to say about childbirth—offering real hope that nothing in this world can match. In *Labor with Hope*, Gloria Furman helps women see topics such as pregnancy, infertility, miscarriage, birth pain, and new life in the framework of the larger biblical narrative, infusing cosmic meaning into their personal experience by exploring how they point to eternal realities. Women will see that only Christ can provide the strength they desperately need in order to labor with hope.

Moms: Look to the gospel for your rest, joy, sufficiency, and motivation. For far too long mothers have been beaten down by the law of "do better" and "try harder." The burden of "getting it right" threatens to crush weary souls who desire to serve their families faithfully. Christ in the Chaos brings comfort to conflicted hearts that are starved of grace and longing for the freedom in Christ the Bible promises. In this book, Kimm Crandall emphasizes the importance of the gospel and how Christ's life, death, and resurrection change every aspect of motherhood. From finding our identity in Christ and understanding God's grace to taking off the mask of acceptability and dealing with the comparison crud, this book will free you to serve your family knowing that his love for you does not change based on your performance. Christ in the Chaos is a "must read" for every mother who longs for what is seemingly impossible: peace and freedom in the midst of her chaos.

How are parents to raise children so they don't become Pharisees (legalists) or prodigals (rebels)? It's all about grace-filled, gospel-driven parenting, says the mother/daughter team of Elyse Fitzpatrick and Jessica Thompson. Christian parents, in their desire to raise godly children, can drift toward rule-centered discipline. There is, however, a far more effective method—a grace-motivated approach that begins with the glorious truth of God's love for sinners. In *Give Them Grace*, parents will learn how to connect the benefits of the cross—especially regeneration, adoption, and justification—to their children's daily lives. Chapters address topics such as our inability to follow the law perfectly, God's forgiveness and love displayed at the cross, and what true heart obedience looks like. Fitzpatrick and Thompson also discuss discipline, dealing with popular culture, and evangelism as a way of life. Parents will find this book a great resource for raising grace-filled, Jesus-loving kids.
