Multistate Guide to Estate Planning gives the estate planning professional instant access to the estate planning laws of all 50 states and the District of Columbia. In one comprehensive source, the Guide provides state-by-state guidance on how to minimize state taxes to preserve the multistate estate, achieve the desired disposition of property regardless of jurisdiction, resolve commonly encountered state law problems in estate practice, and assure asset protection. The easy-to-use format enables the estate planning professional to readily locate information concerning one state's treatment of a particular issue (or compare the treatment required by several states) all on the same table. Each table is broken into detailed, separate analyses, which consist of a series of detailed questions. The tables are designed for state-by-state comparisons. All information in the new and updated charts generally reflects state laws in effect on May 31, 2020.

The Multistate Guide to Estate Planning is divided into 14 Tables each addressing a different topic.

Multistate and Multinational Guide to Estate Planning analyzes the legal aspects of individual wealth transfers across state and national boundaries. In addition, the Guide seeks to develop workable strategies for the attorney involved with a multijurisdictional client.

Multistate and Multinational Guide to Estate Planning analyzes the legal aspects of individual wealth transfers across state and national boundaries. In addition, the Guide seeks to develop workable strategies for the attorney involved with a multijurisdictional client. Planning is a central concern of Multistate and Multinational Guide to Estate Planning. The set is divided into six parts. The first is an overview of the topic. Part II is concerned with professional issues, particularly malpractice problems across state and national lines. Part III investigates the ties that influence which law is chosen to resolve legal questions that arise in the multijurisdictional setting. Part IV addresses specific restrictions on testamentary freedom. Part V deals with the intricacies of choice of law involving wills, trusts and estates. Part VI addresses tax matters at the multistate and multinational levels.

Gives the estate planning professional instant access to the estate planning laws of all 50 states and the District of Columbia. In one comprehensive resource, this Guide provides state-by-state guidance on how to minimize state taxes to preserve the multistate estate, achieve the desired disposition of property regardless of jurisdiction, resolve commonly encountered state law problems in estate practice, and assure asset protection. The easy-to-use chart format enables the estate planning professional to readily locate information concerning one state's treatment of a particular issue, or compare the treatment required by several states, all on the same table.
