If you're preparing to take any exam from the National Examination Board in Occupational Safety and Health (NEBOSH), then you need to know what to expect. NEBOSH courses, which are offered by an awarding body based in the United Kingdom, offer individuals a comprehensive range of globally recognized qualifications designed to meet the health, safety, and environmental management needs of industries as well as national and local governmental organizations. This guide to passing the exams will help you: develop a study plan that is effective and efficient; use and apply command words in constructing answers, which could mean the difference between passing or failing; think about what you're being asked before writing down answers; and identify and avoid the pitfalls that lead to exam failure. NEBOSH qualifications attract approximately 50,000 candidates per year who take exams in more than 120 countries, but many of them fail. Improve your chances of lasting professional success with *Secrets of Passing the NEBOSH Exams*.

This booklet provides advice and guidance to employers for assessment of their activities under the Control of Substances Hazardous to Health Regulations 1988 (COSHH). It replaces COSHH Assessments: A Step by Step Guide to Assessment and the Skills Needed for it published by HSE when COSHH was first introduced. This guidance takes note of the experience in assessment that has been gained since 1988 and the new requirement for regular review. The principles of assessment have not changed since COSHH first appeared, but this booklet illustrates them with extensive examples.
