The first book to cover the full story of one of the most successful international tractor makers today.

The aim of this book with its detailed step-by-step colour photographs and diagrams, is to enable every owner to fix their diesel engine with ease. Troubleshooting tables help diagnose potential problems, and there is advice on regular maintenance and winterising and repair. Jean-Luc Pallas's enthusiasm for passing on his knowledge, as well as his clear explanations, precise advice and step-by-step instructions make this a unique book.

Learn everything you need to know about the Ferguson MF 35 and TO35! Featuring step-by-step instructions for weekly checks, operator maintenance, engines, cooling and fuel systems, transmissions, brakes, hydraulics, and so much more, this user-friendly restoration service manual goes back to the basics, detailing a wide range of topics so you can understand your tractor machinery from the inside out! Also included are more than 650 photographs, helpful charts for service schedules, torques, data specs, tool lists, and troubleshooting, and even a buying guide! Author Chris Jaworski is a technical writer, Tractor & Machinery magazine and a restoration enthusiast. For owners involved in servicing, repairs, or restoration of the Massey Ferguson MF 35 or TO35, this crystal-clear guide will help you enjoy getting the work done quickly, efficiently, and correctly!
