From red-hot New York Times bestselling author Donna Grant comes NIGHT'S BLAZE (The Dark Kings): Part II, set in the lush Highlands of Scotland, where love and danger collide-and ignite... He was virile, persuasive, and masculine. His rugged good looks turned heads, but in a suit, he looked dashing and powerful. A combination no woman could ignore. And he was sitting next to her. Lily wanted to run her fingers through his long, dark brown waves and pull his head down for a kiss. And if he didn't quit looking at her as if he wanted to take her right there, she just might. Lily Ross is taking the first step in building a new life for herself. Still reeling from a relationship that nearly broke her spirit, Lily is wary of her attraction to brawny, brooding Rhys. The passion burning so brightly between them is a potent temptation, but any entanglement is destined to end in disaster. Yet when a spectre from Lily's past threatens their growing bond, Rhys is forced to choose with his heart, or lose this woman who has become his one chance at salvation... The third book in New York Times bestselling author, Donna Grant's exciting Shield series! Dear Friend, Most would give all they had to be raised in the Realm of the Fae. I had no choice. I was too young to remember anything of my own realm, save for snatches of memories that could be no more than my imagination. But if the Fae hadn't found me wandering between realms after mine was destroyed, I would be dead. It was the Fae who raised me and trained me in weaponry and battle until I became a warrior to be feared. When the same evil that destroyed my realm threatened Earth and the Fae, I was the first to volunteer for the Shields. With my immortality the only link I have to my past, I take what comfort I can in the arms of women. I want nothing more than one night with them, one night to forget that I cannot remember my family, one night to take what pleasure I can. It isn't until Shannon that I begin to think of more than one night in her arms. Shannon has been transported back in time from Chicago to 1244 England because the evil knows what she is—one of the Chosen. It plans to kill Shannon, but I won't allow that. My duty is to protect her at all costs. I've never known fear or love until now—until Shannon. Cole the Warrior

New York Times bestselling author Donna Grant brings you the first of a thrilling time-travel adventure. Earth is about to be annihilated by creatures spoken of only in myths and legends. The fabled race of the Fae has gathered together a group of warriors highly skilled and trained to defeat these creatures. These men come from different times and realms, giving their lives, if necessary, to end the destruction of our world. Dear Reader – Have you ever wanted to travel through time with weapons crafted by the Fae themselves? To experience adventure so thrilling and dangerous you don't know if you will live to see tomorrow? Now my men and I are faced with fighting creatures only thought to live in legend but which have been brought to Earth by evil bent on annihilating all the realms. That is my life – and I love it. At least I did until I found myself staring into the angelic, innocent face of Lady Mina of Stone Crest. In all the time I have led the Shields I have trusted my instinct to keep us alive, yet now I don't know what to believe. Everything points to Mina as the evil summoning the creatures, but she proclaims her innocence. I should be able to see through her lies, if she is indeed lying, but my attraction to her blinds me to even that. The last time I found myself so lured to a woman, it nearly cost me the lives of my men. I cannot allow that to happen again. I won't allow that to happen again. Yet every time she looks at me, begging me with those blue-green eyes to believe her, I find myself sinking further under her spell. Her mouth is a temptation mortal men will never know and her love will either bring me the peace I thought I'd never find – or the death I've managed, thus far, to avoid. Hugh the Righteous

There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you... When Erith directs me to infiltrate the enemy and topple them from within, I immediately accept the challenge. I figure it'll be easy until a stunning warrior goddess crosses my path and diverts my attention. The problem? She's in league with those I was sent to take down. However, I soon discover there is more to her than meets the eye and quickly find my mission divided: disband this new group of Fae Others and save the gorgeous Light from her family—and herself. All it takes is one look, one conversation to know that she's mine, and I will chance Death's displeasure to make it so. But the risks are great. Because when you fall in love with the enemy, more than your heart is on the line.

There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you... Reborn to serve, I have never once questioned Death's directives. Until my mission leads me to a Halfling who stirs things within me that I've never felt before. Sorcha's past intrigues me, but not as much as the gorgeous and stubborn Halfling herself. Though the Others are no more, our enemies still lurk around every corner. I can feel it. But for her, I will battle whatever comes my way—be it present dangers or ghosts of the past.

From New York Times bestselling author Donna Grant comes another gripping story in her Reaper series featuring a brotherhood of elite assassins who wage war on the Fae at Death's behest—and the women who dare to love them. There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you... The latest threat uncovered, it is my honor and duty to oust those responsible for the slaughter of so many and make the Fae Others pay for their crimes. However, nothing could have prepared me for the stunning and curious female that crosses my path. She's an enigma: equal parts strength and vulnerability. She quiets the rage I've carried within me for so long and makes me question Death's directives for the first time ever. Her tragic, emotional story touches something deep within me, and her bravery is awe-inspiring—which makes it doubly hard to let her return to the enemy and the dangers that await. I never expected her, but I need her. She is everything to me, and I will do whatever it takes to make sure she's safe and by my side. Forever.
