A recovered alcoholic, whose lecture series has been widely used in government and private rehabilitation programs, makes an in-depth presentation on alcoholism that covers its causes, effects, treatment, and sources of further information and assistance

Alcoholism and Other Drug Problems offers a balanced and comprehensive account of the nature, causes, prevention, and treatment of the nation's number one public health problem. This edition of Royce's award-winning text, Alcohol Problems and Alcoholism, has been extensively updated throughout by Royce and his coauthor David Seratchley, with new chapters on drugs other than alcohol to reflect the most recent research in the field. Part I, "Alcohol and Other Drugs," examines the nature and impact of alcohol as a drug and discusses historical and contemporary cultural attitudes toward drinking in America. A new chapter on the effects that other drugs can have on the user and on the family, and treatment methods, has been added to this section. Part II, "Addiction," describes the patterns and symptoms of this complicated phenomenon. The authors also use new data to illustrate the impact that addiction can have on special groups such as children, minorities, and the elderly. Part III, "Prevention and Intervention," looks at the various techniques that have succeeded or failed in curbing drug abuse. Finally, Part IV, "Treatment and Rehabilitation," surveys the range of available treatment approaches with chapters on various twelve-step programs and new information on drugs and the law.

One-of-a-kind bibliography, research, and history resource containing explicit information about author Dick B.'s 16 years of research: (1) Collecting over 25,000 books and materials on the roots of A.A. (2) Using them in the publication of his 26 titles, more than 120 articles, and over 30 audio talks. (3) Describing where he went for the history, where it is located, who was interviewed, and what it contains. (4) It lists titles Dick used in his writing; all of the background titles involved in A.A.'s use of the Bible, Quiet Time, Oxford Group life-changing program, Anne Smith's Journal, Rev. Sam Shoemaker's teachings, religious literature AAs read, the United Christian Endeavor Movement, Carl Jung, William James, William D. Silkworth, Richard Peabody, Emmet Fox and many other New Thought influences. (5) It lists all the books in A.A. founder Dr. Bob's library and collections--a list found nowhere else. (6) It contains manuscripts from archives and libraries and personal collections all over the U.S. and England. (7) There is a huge collection of temperance books and literature described. (8) Topical books by A.A., about A.A., about alcoholism, about "spirituality," about the Bible, religion, and clergy. (9) Included are records of Dick's notes and interviews. (10) Almost this entire collection of materials has been donated to and can now be found and studied at Griffith Library, which is part of The Wilson House (birthplace of Bill W.) in East Dorset, Vermont. Taken together, this reference volume and the actual materials in the Griffith Library, constitute the largest and most complete record of early A.A. historical materials in the world today, other than the Library of Congress items.

The Classic Guide to Recovery from Alcoholism This no-nonsense guide to understanding and recovering from alcoholism provides new hope for alcoholics, their families, and friends. Hard-won experiences -- Father Martin is a recovering alcoholic -- underlies this thorough yet always clear presentation. Chalk Talks sheds new light upon the complex problems of alcoholism, which affects the mind, body, soul, and emotions. Father Martin does not preach or moralize but remains practical in discussing attitudes toward, and reasons for, alcoholism; the physiological/psychological effects; health problems; symptoms; intervention; treatment and support; and where to turn for further information and assistant. Chalk Talks is not a scientific treatise but a message of hope to all persons concerned with America's number-one health problem.
