Ç One and Only: The Freedom of Having an Only Child, and ...

One and Only examines these ideas, including what the rise of the single-child family means for our economies, our environment, and our freedom, leaving the reader "informed and sympathetic," writes Nora Krug in the Washington Post.

A prominent journalist, only child, and mother of an only child presents a case in support of one-child family life, offering perspectives on how single-child families can benefit the economy and environment while promoting child and parent autonomy.

A prominent journalist, only child, and mother of an only child presents a case in support of one-child family life, offering perspectives on how single-child families can benefit the economy and environment while promoting child and parent autonomy.

A funny, tough-minded case for being and having an only child, debunking the myths about only children and taking glory in the pleasures of singletons: "A swift and absorbing read...may change your mind and the national conversation" (Psychology Today). Journalist Lauren Sandler is an only child and the mother of one. After investigating what only children are really like and whether stopping at one child is an answer to reconciling motherhood and modernity, she learned a lot about herself—and a lot about our culture's assumptions. In this heartfelt work, Sandler legitimizes a discussion about the larger societal costs of having more than one, which Jessica Grose in her review in *The New Republic* calls, "the vital part of the conversation that's not being discussed in the chatter" surrounding parenting. Between the recession, the stresses of modern life, and the ecological dangers ahead, there are increasing pressures on parents to think seriously about singletons. Sandler considers the unique ways that singletons thrive, and why so many of their families are happier. *One and Only* examines these ideas, including what the rise of the single-child family means for our economies, our environment, and our freedom, leaving the reader "informed and sympathetic," writes Nora Krug in the Washington Post. Through this journey, "Sandler delves deeply, thoughtfully, and often humorously into history, culture, politics, religion, race, economics, and of course, scientific research" writes Lori Gottlieb, *The New York Times Book Review*. "I couldn't put it down," says Randi Hutter Epstein in the *Huffington Post*. Sandler "isn't proselytizing, she's just stating it like it is. Seductively honest." At the end, Sandler has quite possibly cracked the code of happiness, demonstrating that having just one may be the way to resolve our countless struggles with adulthood in the modern age.

In 1865, members of a family start their day as slaves, working in a Texas cotton field, and end it celebrating their freedom on what came to be known as Juneteenth.

The awakened cannot be enslaved; the asleep cannot be freed.

In 1964, Joe is pleased that a new law will allow his best friend John Henry, who is black, to share the town pool and other public places with him, but he is dismayed to find that prejudice still exists.

Every church is filled with people who are struggling--often secretly--with addictions of all kinds. Porn, pills, food, money, alcohol, social media, body image, status, sex, anxiety--the list goes on and on. John Elmore is no stranger to addiction. Fifteen years ago, he put a loaded shotgun to his head and later had three doctors tell him he was going to die of alcoholism. More than 15 sober years later, he leads the world's largest weekly recovery gathering, re:generation, where people journey toward healing in Christ. In *Freedom Starts Today*, he makes a huge promise to the addicted: you can be free from your struggle, and much sooner than you may think. Through easily digestible readings grounded in Scripture and the practice of daily surrender, Elmore shows you how to break the cycle of addiction, make war against sin, and find your identity in who you are and not the shame of what you have done--one day at a time. Leave behind struggles, addiction, and shame as you walk in the power of the Holy Spirit and in the love, mercy, and forgiveness of the God who is not only by your side but on your side. ***** "Revival is a hard thing to quantify, but it always includes a growing devotion to the Lord and repenting of sin. And that is the fire God will start in you as you live out what you'll read within the pages of this book."--Jennie Allen, New York Times bestselling author of *Get Out of Your Head*; founder and visionary of IF:Gathering "John has walked the road of recovery and helped countless others do the same. I am thrilled that he has put a resource in our hands that can help all of us!"--Ben Stuart, pastor of Passion City Church DC; author of *Single, Dating, Engaged, Married* "I've personally witnessed God use John Elmore to set prisoners free by the thousands. The methods in *Freedom Starts Today* are proven and effective at helping anyone walk in the abundant life that Jesus promises."--Jonathan Pokluda, bestselling author of *Welcome to Adulthood*; host of *Becoming Something* podcast; pastor of Harris Creek in Waco, TX

Return to the unforgettable world of the Newbery Medal-winning and #1 New York Times bestselling novel *The One and Only Ivan* (soon to be a major motion picture!) in this incredible sequel, starring Ivan's friend Bob! Bob sets out on a dangerous journey in search of his long-lost sister with the help of his two best friends, Ivan and Ruby. As a hurricane approaches and time is running out, Bob finds courage he never knew he had and learns the true meaning of friendship and family. Bob, Ivan, and Ruby have touched the hearts of millions of readers, and their story isn't over yet. Catch up with these beloved friends before the star-studded film adaptation of *The One and Only Ivan* hits theaters in August 2020!

In the follow-up to her #1 bestselling memoir, *A Stolen Life*, Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own. When Jaycee Dugard was eleven years old, she was abducted from a school bus stop within sight of her home in South Lake Tahoe, California. She was missing for more than eighteen years, held captive by Philip and Nancy Garrido, and gave birth to two daughters during her imprisonment. In *A Stolen Life* Jaycee told the story of her life from her abduction in 1991 through her reappearance in 2009. *Freedom: My Book of Firsts* is about everything that happened next. "How do you rebuild a life?" Jaycee asks. In these pages, she describes the life she never thought she would live to see: from her first sight of her mother to her first time meeting her grownup sister, her first trip to the dentist to her daughters' first day of school, her first taste of champagne to her first hangover, her first time behind the wheel to her first speeding ticket, and her first dance at a friend's wedding to her first thoughts about the possibility of a future relationship. This raw and inspiring book will remind you that there is, as Jaycee writes, "life after something tragic happens...Somehow, I still believe that we each hold the key to our own happiness and you have to grab it where you can in whatever form it might take." *Freedom* is an awe-inspiring memoir about the power we all hold within ourselves.

The #1 New York Times bestselling and Newbery Award-winning novel *The One and Only Ivan* is now a major motion picture streaming on Disney+ This unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendship. Inspired by the true story of a captive gorilla known as Ivan, this illustrated book is told from the point of view of Ivan himself. Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. *The One and Only Ivan* features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character development, perspective). This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Plus don't miss *The One and Only Bob*, Katherine Applegate's return to the world of Ivan, Bob, and Ruby!
