peace: overcome evil with good, and falsehood with truth, and hatred with love.

Cast from their home country by religious intolerance, the Pilgrims' harrowing voyage to the New World was filled with hardships. But through it all they persisted, motivated by the promise of a better life in which they could gather and worship God in their own ways. A collection of ragtag ships carried them across the ocean, among them The Mayflower. Cramped into the ship's hull, 102 people made this most famous pilgrimage. Besieged by illness and Indians and, many of them believed, witches, the Pilgrims eventually flourished, building up colonies and establishing their own rules for the practice of religion. Here is their dramatic story.

"The measure of a man is not determined by what he has, but rather, by what he does with what he has." In the 20 plus years that I've known Peronia "PC" Canidate she has never waited for others. She has always lead the way to change. She continues to seek out ways to share her many God given gifts and talents. Most recently she started Wisdom Works 4 U, Saturday Jewels and is now a certified Life Coach (in truth she's been a life coach for me and more people than I can count for years, but now she's certified). One of the things that I have learned from my many deep discussions with PC is that you cannot change people. In fact, it is not your place or your job to do so, but you can inspire them with your actions and share with them the wisdom you've gained through experience. This is why she and Wisdom Works 4 U have sought out authors to share their favorite quotes, tell us what they mean to them and include them in this book to share their wisdom and inspire you. ~ Seannon Jones
