Beautifully illustrated, Fun on the Farm is a pleasant blend of author Sam Burnette's childhood experiences and the antics of various animal characters. Set in the Deep South, this is just one of the many adventures of a little boy nicknamed Bo'Gator, and his carefree days spent exploring his grandparents' farm and the surrounding woods with his constant companion, Papa's Basset Hound, Beauregard. Follow their good times fishing and playing games with their friend, Brer Possum, and several other forest creatures, including a thieving old raccoon named Blue. Reminiscent of country living of by gone days, this children's book is refreshingly unique in today's fast-paced world. This book is an eLIVE book, meaning each book contains a code to redeem a free audio book download from the Tate Publishing website!

Otis Possum, a furry little creature in search of a home and love, gave his name to a little possum town buried deep in the old growth forest of Oregon. Through the friends he made along his journey, Otis learned many of life's hard lessons. In Otis's first adventure, he ignores the advice of his wise friend Owl, as he searches for something that was right under his nose since the day he arrived. In the second part, Otis is told the story of White Calf, the elk he met in Idaho, and how White Calf overcame the adversity in his life and became a hero to his forest family. In the third story in this book, Otis tells his dear wife about Bessie, an old, ragged possum he befriended when he was young. Otis saw how his hometown's nosy gossip, Agatha Possum, with her treachery, nearly destroyed Bessie's life, but in the end she redeemed herself in an unselfish and heartwarming way.
