the European Union (EU); a
description of policy reforms in the
public welfare system; an analysis of
the reforms in key aspects of the
institutional framework; and an
examination of the tax system.

Since 1980, China's economy has

Read Free Public Finance Reform During The

Transition The Experiences of Hungary
been the envy of the world. Its annual growth rate of more than 9 percent during this period makes China today the world's fourth-largest economy.

And this sustained growth has reduced the poverty rate from 60 percent of the population to less than 10 percent.

However, such rapid growth has also

Read Free Public Finance Reform During The

Transition The Experience Of Hungary

increased inequalities in income and access to basic services and stressed natural resources. The government seeks to resolve these and other issues by creating a 'harmonious society' -- shifting priorities from the overriding pursuit of growth to more balanced economic and social

Read Free Public Finance Reform During The

Transition. This volume compiles analyses and insights from high-level Chinese policy makers and prominent international scholars that address the changes needed in public finance for success in the government's new endeavor. It examines such key policy issues as public finance and the
