the cocktail world. Like the bar's décor, Dead Rabbit's award-winning drinks are a nod to the "Gangs of New York" era. They range from fizzes to cobblers to toddies, each with its own historical inspiration. There are also recipes for communal punches as well as an entire chapter on absinthe. Along with the recipes and their photos, this stylish and handsome book includes photographs from the bar itself so readers are able to take a peek into the classic world of Dead Rabbit.

empower clinicians to engage their clients in tailored rehabilitation plans. The book is divided into five key sections. Section 1 looks at assessment covering tools available in the public domain, instruments, scoring systems, norms and applications for diagnosis and measurement of symptoms, cognitive functioning, impairment and recovery. Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process, impact and outcome. Section 3 provides manuals and programs for intervention effectively provided as group activities. Section 4 explains how to design a full
