A classic collection of 1,000 hymns and choruses.

Jesus, Lover of My Soul by Charles Wesley, first published in 1878, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

"No attempt has been made to present a critical study of Frances Jane Crosby, but simply to retell the life of the Sightless Singer as she, herself, told it to me on various occasions when visiting my home" - p. 11.

Hymn Restoration introduces a new generation to the musical treasures of Christian history. Dino Kartsonakis has selected 101 of the best hymns, and presented them alongside devotions that expand on their themes. May you be uplifted in your faith!

Hymns powerfully express the response of Christians to the love and grace of God. They bring comfort in life's dark days

and express shared joys at times of celebration. This volume includes 40 of history's most popular hymns, ranging from old and new, from great communal anthems to personal worship songs. Andrew Barr skillfully weaves insights into the origins and authors of each song with contemporary stories of the part they have played in people's lives.
