Jeremy is a good storyteller though, and doesn't take himself too seriously. I read this right after Artie Lange's *Crash and Burn*, and found Ron Jeremy to be a refreshing, low-drama character compared to Lange's total douche-bagged-ness. There are fascinating revelations that I truly didn't expect about a 30+ year adult film actor.

In an uncensored memoir, Hollywood's leading porn star reflects on two decades of filmdom scandal, the inner workings of the adult film industry, celebrity encounters, gossip, and fame, offering an unexpurgated account of his life and career.

The incredible, uncensored full story of the number one male porn star and legend, told in his own words. Here's the long and the short of it. Porn legend Ron Jeremy is known all over the world as a true icon of the porn industry, and as the most recognizable personality in the history of adult films. Ron Jeremy has been through every era of the industry's development and he has only grown in stature. And just like he does in his films, he delivers the goods in his book by dishing the dirt on over 20 years of Hollywood scandal, telling about the inner workings of the porn industry, and revealing a life filled with celebrities, gossip and international fame. Ron Jeremy is a born storyteller. In this uncensored memoir he tells the naked truth about his life, his career, and his adventures in Hollywood and around the world. He has also had a lot of success outside the XXX world, and he has stories on every major Hollywood celebrity. He does have a policy, however - "First you show me yours and then I'll show you mine. No exceptions." In addition to starring in over 1700 films, and directing 250 of them, Ron Jeremy has starred in the UK-based reality show The Farm, was on VH1 with The Surreal Life, has acted in mainstream films like Detroit Rock City, Orgazmo, Rodney Dangerfield's Meet Wally Sparks, and Rules of Attraction. He has appeared on Fox's The Family Guy, Just Shoot Me, The Weakest Link, and Nash Bridges. Ron had a hit single with DJ Polo ("Freak of the Week"), which spent 25 weeks on the Billboard charts. Pornstar, the documentary based on his life, met with huge critical acclaim.

The moving, gripping, and tell – all autobiography of Traci Elizabeth Lords, a former child porn queen, electronica maven, and cult movie and TV star. At 14, Nora Kuzma ran away from home and ended up on the dirty streets of Hollywood. She fell in with a fast crowd, and her dreams of modelling soon landed her a spectacular centrefold in Penthouse Magazine, where at 15 she became internationally known as

## Read Book Ron Jeremy The Hardest Working Man In Showbiz

**TRACI LORDS.** From there she appeared in numerous adult films and magazines, denying her past and battling a deep addiction to cocaine and men. Three years later she got out. This is her memoir – a tale of loss, redemption, and ultimate survival as Traci Elizabeth Lords takes you into her secretive past, faces her demons, and shares her extraordinary journey of personal growth.

The first publication of *Raw Talent* created an extraordinary flurry of publicity. Jerry Butler appeared on dozens of talk shows, capturing audiences with his intensity and charm. Reviews of the book lauded Butler's honesty and remarked on the double standard that permits explicit violence on film - but not explicit sex. The book sold out four printings; nonetheless, reactions within the adult film industry included heated debate and an unofficial blacklisting of Butler. The former star of X-rated films and winner of many awards, Jerry Butler wrote the book that many warned would finish him in the business that had rewarded him with money and fame. But it is characteristic of Butler that these warnings didn't prevent him from producing this devastatingly honest appraisal of the adult film trade - and of himself. For while Butler is frankly critical of an industry that treats actors and actresses like throw-away props, and allows unprotected sex in the age of AIDS, he reserves his most candid commentary for himself. *Raw Talent* tells the story of Butler's erotic voyage from average child to sex star. The epilogue added to this new edition answers the question: 'Where will Jerry go from here'. . . an unvarnished first-hand view of the adult film industry. . . Back Stage Even though people might feel that *Raw Talent* shatters their fantasies, it illustrates the fakeness of porn and the carelessness of its makers. Bay News Love him or hate him, he's given us one controversial book. Adult Video News He totally lets his hair down about the business, the people in it. Anyone fascinated by sex should really get into this book. Big fun. Midwest Record Recap A first-rate page turner. The New Edition A devastatingly accurate portrait of the male American libido. New York Post

A funny, in-your-face novel starring an unlikely teenage pair - a sheltered cinemaphile with cerebral palsy and the tattooed, straight-talking stoner who steals his heart. For sixteen-year-old Ben Bancroft - a kid with cerebral palsy, no parents, and an overprotective grandmother - the closest thing to happiness is hunkering alone in the back of the Rialto Theatre watching *Bride of Frankenstein* for the umpteenth time. Of course he waits for the lights to dim before making an entrance, so that his own lurching down the aisle doesn't look like an ad for *Monster Week*. The last person he wants to run into is drugged-up Colleen Minou, resplendent in ripped tights, neon miniskirt, and an impressive array of tattoos. But when Colleen climbs into the seat beside him and rests a woozy head on his shoulder, Ben has that unmistakable feeling that his life is about to change. With unsparing humor and a keen flair for dialogue, Ron Koertge captures the rare repartee between two lonely teenagers on opposite sides of the social divide. It's the tale of a self-deprecating protagonist who learns that kindred spirits can be found for the looking - and that the incentive to follow your passion can be set into motion by something as simple as a human touch.

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In *Sinner Takes All*, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, *Sinner Takes All* takes the tell-all to raunchy new heights.

The Biggest Names in the Adult Entertainment Biz in One Big Tell-All! "A fascinating peek into the sex

## Read Book Ron Jeremy The Hardest Working Man In Showbiz

lives of porn's top stars. A juicy read!"—Anka Radakovich, sex columnist, *British GQ* “ I can't stop reading this! Enlightening and insightful, revealing, arousing, and tips from the pros! This is like the Kinsey Reports of adult entertainment for our generation. ” —Ron "Bumblefoot" Thal, guitarist for Guns N' Roses “ This is the only book that has kept our hands off each other and on the pages! Two peckers up! ” —Sal Governale and Richard Christy, *The Howard Stern Show* “ Confessions of the Hundred Hottest Porn Stars offers a rare and insightful glimpse into the minds of adult stars—their secret sexual fantasies, preferences, and vulnerabilities. Lainie Speiser has a unique rapport with adult industry actors that enables her to elicit heartfelt revelations from those who are used to hiding behind carefully constructed facades. No other book has ever shed so much light on the inner erotic world of the sexiest and most sexual women and men in the universe. A must-read for anyone who wants to learn about the origin of sexual disinhibition, become a better lover—or simply to get turned on!"—Victoria “ Dr. Z ” Zdrok, author of *Dr. Z on Scoring* “ This book is a pleasurable romp into the secret lives of the most beautiful and intriguing women in the world of porn. As a fellow 'Sexpert,' I found this book to be fascinating as it captures the naughty and nice secrets of porn stars who are usually very elusive. Lainie Speiser is a porn pioneer and this book of short-tales is packed full of secrets that are both sexy and surprising. ” —Kristin Davis, *The Manhattan Madam*, candidate for governor of New York 2010 "Lainie Speiser has fulfilled every porn fan 's fantasy by getting inside the minds—and bedrooms—of the industry 's most popular stars. An intimate, fun and sexy read!"—Eric Danville, author of *The Complete Linda Lovelace* The stories don ' t come any more sexy, funny, or raw than they do in *Confessions of the Hundred Hottest Porn Stars*. They ' re all here. One-hundred of the world ' s most famous porn stars—including Nikki Benz, Tera Patrick, Nick Manning, Jesse Jane, Sunny Leone, Tabitha Stevens, Ron Jeremy, Breanne Benson, Brooke Haven, Mr. Marcus, Brittany Andrews, Stoya, Joanna Angel, Lupe Fuentes, James Deen, Bree Olson, Kayden Kross, Kelly Divine, Misty Stone, Peter North, Taylor Wane, Phoenix Marie, Evan Seinfeld, Gina Lynn, and Sophia Santi—and they ' re not afraid to share their innermost thoughts on: —what really turns them on —their favorite sexual positions—both on- and off-camera —their innermost sexual fantasies —the fun of threesomes, foursomes, and orgies —the joys of double penetration —being married to another porn star and why open marriages and relationship work best Penthouse publicist and columnist Lainie Speiser, who has worked behind the scenes of the adult industry for 20 years, gets the hottest people in the business to open up and share their secrets, offer advice on sex, and tell you about their hidden desires and favorite toys. The stories are shocking, gripping, surprising, and fun, revealing what these porn stars really think about themselves and their sex lives. And each confession is accompanied by the star ' s favorite photo.

The personal life story of the former Golden Gloves boxer and actor describes his coming of age on the streets of New York, presidency of the Hell's Angels, experiences as a celebrity bodyguard, and television career. Reprint. 35,000 first printing.

A Hudson Booksellers Best Non-Fiction Book of the Year, with foreword by Wilco's Jeff Tweedy *High Fidelity* meets *Killing Yourself to Live* when one man searches for his lost record collection. As he finds himself within spitting distance of middle-age, journalist Eric Spitznagel feels acutely the loss of... something. Freedom? Maybe. Coolness? Could be. The records he sold in a financial pinch? Definitely. To find out for sure, he sets out on a quest to find the original vinyl artifacts from his past. Not just copies. The exact same records: The Bon Jovi record with his first girlfriend's phone number scrawled on the front sleeve. The KISS *Alive II* he once shared with his little brother. The Replacements *Let It Be* he ' s pretty sure, 20 years later, would still smell like weed. As he embarks on his hero's journey, he reminisces about the actual records, the music, and the people he listened to it with—old girlfriends, his high school pals, and, most poignantly, his father and his young son. He explores the magic of music and memory as he interweaves his adventures in record-culture with questions about our connection to our past, the possibility of ever recapturing it, and whether we would want to if we could. "Memories are far more indelible when married to the physical world, and Spitznagel proves the point in this vivid book.

## Read Book Ron Jeremy The Hardest Working Man In Showbiz

We love vinyl records because they combine the tactile, the visual, the seeable effects of age and care and carelessness. When he searches for the records he lost and sold, Spitznagel is trying to return to a tangible past, and he details that process with great sensitivity and impact."—Dave Eggers, New York Times bestselling author of *The Circle*

Rather than being mailed from England to the United States, Jeremy, a handmade toy rabbit, sets off to make his own way to a new home, with the toymaker's blessing to keep him safe through a series of adventures.
