REA ' s NCLEX-PN Flashcards Are Indispensable! Hundreds of Must-Study Questions and Answers! REA ' s Interactive Flashcard® book for the NCLEX-PN exam helps nursing students check their test-readiness before taking this all-important exam. Our flashcard book is the perfect on-the-go study supplement and offers a quick and convenient way to practice answering questions. Written by an experienced RN, these flashcards give students full scenarios to evaluate in a multiple-choice format, just like the actual test. This recommended study aid contains more than 350 must-study questions that cover all official test categories found on the NCLEX, with detailed explanations of answers. The book also provides fascinating fun facts about the medical/nursing profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Nursing students can write their answer on the front of the card, and then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we even give details explaining why the answer is correct. Fully indexed for smarter study, this book is the perfect way to study for the NCLEX-PN exam!

This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included.

The Canadian Nurses Association's Code of Ethics for Registered Nurses is a statement of the ethical values of nurses' commitments to persons with health-care needs and persons receiving care.

This text was written in response to the need for a community health nursing textbook that reflects the practice of community health nursing in Canada. It is not an adaptation of a US text, but a fully Canadian textbook designed to match the way in which the course is offered in Canada. As a result, the first edition of this text was widely adopted across Canada and has been praised for its writing style, Canadian content, and thorough coverage of the key topic areas in community health nursing. The field of community health nursing is constantly changing. As a result, this second edition has been thoroughly revised with extensive updates, new content, statistics, Canadian research, and a new two-colour design.
