Samsung support said "not customer serviceable part, must call for service". Wanted to just replace the plastic cam (attached to hinge), but not sure of the part #. Bought the entire hinge assembly and upper cam riser also (attached to the bottom of the door). Replaced both with the help of Youtube videos. Repair took approximately 15 minutes and I probably saved \$100-\$150!

Drawing from diverse personages -- Goethe to Churchill to Woody Allen -- Robert Byrne has mined a collection of wit and wisdom that deserves a special place on every humor lover's bookshelf. These unique, witty, and outrageous quotations, previously published in four separate volumes, are now gathered together in a seemingly limitless trove of pithy and often irreverent one-liners, retorts, put-downs, jokes, and last words that cover every conceivable subject and will appeal to every taste. Highlights include: "Start every day with a smile and get it over with." -- W. C. Fields "Men read maps better than women because only men understand that an inch can equal a hundred miles." -- Roseanne Barr "Happiness is having a large loving family in another city." -- George Burns

Poet, pattern-designer, environmentalist and maker of fine books, William Morris (1834-96) was also a committed socialist and visionary writer, obsessively concerned with the struggle to achieve a perfect society on earth. News From Nowhere, one of the most significant English works on the theme of utopia, is the tale of William Guest, a Victorian who wakes one morning to find himself in the year 2102 and discovers a society that has changed beyond recognition into a pastoral paradise, in which all people

live in blissful equality and contentment. A socialist masterpiece, *News From Nowhere* is a vision of a future free from capitalism, isolation and industrialisation. This volume also contains a wide selection of Morris's writings, lectures, journalism and letters, which expand upon the key themes of *News From Nowhere*.

The king will stop at nothing to get his beloved daughter back—but that's assuming she wants to return at all. Essie has grown used to being cold. Temperatures on the planet Thanda are always sub-zero, and she fills her days with coding and repairs for the seven loyal drones that run the local mines. When a mysterious young man named Dane crash-lands near her home, Essie agrees to help the pilot repair his ship. But soon she realizes that Dane's arrival was far from accidental, and she's pulled into the heart of a war she's risked everything to avoid. In her enthralling debut, R.C. Lewis weaves the tale of a princess on the run from painful secrets . . . and a poisonous queen. With the galaxy's future—and her own—in jeopardy, Essie must choose who to trust in a fiery fight for survival.

You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster *Playing Doctor* Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . . admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy *The Lady of the Lake* Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

From the editorial head of MTV International and the author of the acclaimed first novel *A&R* comes a hugely entertaining black comedy about a big time NYC network television exec whose sudden firing forces him into a season in the wilderness as the head of a sorry family-run New England cable TV empire in the fictional town of New Bedlam, RI. Both wicked and big-hearted and often spit-take-level laugh-out-loud funny, *New Bedlam* is a wonderfully sharp, fun entertainment with real bite. Bobby Kahn fired people. It was the only bad part of a job he loved. If you asked him about it he would say the same five words each of the other 24 network vice presidents said when you asked any of them: "It comes with the turf." That's how they talked. They were proudly unoriginal. It's why they made good television executives. But then one day 36-year-old network golden boy Bobby Kahn of Massapequa Long Island gets the ax himself, the scapegoat for a programming scandal. As he falls from his perch, he grasps for any branch to cling to, but the only lifeline within reach is the once-unthinkably-ignominious opportunity to relocate to the Rhode Island seaside town of New Bedlam and assume the reins of a family-run cable business with a local pipeline monopoly and three small vanity stations.
