Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation

syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple. By the author of *Miss Julia Paints the Town*.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

It's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay.

Goodnight Mysteries: Book 1 - 3 The Goodnight Mysteries series is the small-town mystery romance spinoff of the Matchmaker Mysteries. Goodnight—Sometimes sweet dreams end in murder. * Die Noon * Matilda Dare can't sleep. Her insomnia is one more reason to move to the quirky small town of Goodnight, New Mexico after she inherits a house, a small newspaper, and two old dogs there. But despite the Goodnight name, Matilda still spends her nights wide awake, and she has good reason after a reporter is murdered. With a mystery to solve, she begins to investigate the town and uncovers more suspects than she knows what to do with. Meanwhile, the hottie cowboy sheriff is doing his own investigation into Matilda, and the mysterious, handsome stranger, who just happens to live with her, is showing up in all the wrong places. As her investigation continues, danger increases, and it might end up spelling lights out for Matilda. * A Doom with a View * Matilda Dare still can't sleep. Since she's arrived in Goodnight, New Mexico, she's solved one murder and had more than one conversation with a dead woman. Obsessed with finding the woman's killer, she has to put that on hold when her newspaper receives a mysterious, coded letter. When the author of the letter winds up dead, Matilda is thrust into a mystery that puts her new friends into danger. The hunky Sheriff Goodnight and Matilda's hunky roommate Boone are along for the ride in this funny action adventure that might end up spelling lights out for Matilda. * Jurassic Dark * Matilda Dare might be in a new relationship, but she's not sure. Ever since Boone kissed her, it's been up in the air if they're an item or not. Either way, she can't focus on romance for very long because one of her best friends has been accused of murder, and Matilda is bound and determined to prove her innocence. Matilda and Boone find themselves on the trail of the real killer out in the wilds of New Mexico. But as they're pursuing the killer, they're being pursued as well. * Elise Sax will win your heart. New York Times bestselling author Jill Shalvis * Sax will make you laugh. Her larger-than-life characters jump off the page and make crazy seem like a fun place to hang out. New York Times bestselling author Christie Craig * With quirky characters reminiscent of Janet Evanovich's Stephanie Plum series and a small-town heroine redolent of Charlaine Harris' Sookie Stackhouse --RT Book Reviews Fans of laugh-out-loud romantic suspense will enjoy this new author as she joins the ranks of Janet Evanovich, Katie MacAllister, and Jennifer Crusie. Booklist, on An Affair to Dismember A lighthearted and amusing caper with a sexy side order of romance . . . Gladie is an endearing mess of a character, and the book is fast-paced and amusing, with a large cast of quirky, small-town characters. Kirkus Reviews, on Matchpoint * There's plenty for fans to enjoy in Sax's third Matchmaker installment, complete with energetic narration, zany humor and a mystery that's as engaging as the details of Gladie's love life. RT Book Reviews, on Love Game
