~~Learn to survive extreme situations in wild locales from around the world with The Far Cry Survival Manual, based on the hit game series. The Far Cry video game series has taken players on extreme adventures around the world: from untamed tropical islands to towering mountains and beyond, this blockbuster series thrusts players into exciting but deadly scenarios. The Far Cry Survival Manual immerses readers in the Far Cry universe with practical tips on survival, self-defense, extreme sports, stunt driving, and more, inspired by the games they love. The book is narrated by a journalist who will go to any extreme for his story, traveling to the Rook Islands, the Kingdom of Kyrat, Montana's Hope County, and beyond to explore and survive some of the most extreme situations and environments. This guide is his personal record of his perilous adventures and includes tips and instructions on how readers might be able to make it out alive as well. Readers will learn how to face and survive increasingly dramatic and deadly scenarios, from executing tense covert-ops to escaping pirate-filled South Pacific islands, and even surviving the prehistoric past. Packed with applicable real-world advice, this manual will entertain and inform fans of this thrilling franchise and survival enthusiasts alike.~~
