What the most respected media has written about Firearms Multimedia Guide: "It runs remarkably fast...Intuitive and informative for all shooters...A fine reference guide to keep handy" - NRA's Shooting Illustrated (May 2010 issue) "An incredible source of information...to useful to keep a secret" - Gun Trade News (UK trade magazine, March 2010 issue) "The DVD is worth the price for the target images alone" - GunBlast.com "Plenty of value for the money" - Wild Deer & Hunting Adventures (Australia, April 2010 issue) Using the Firearms Multimedia Guide saves a lot of time and money for gun enthusiasts. Instead of buying several publications and surfing for hours on the internet from one manufacturer's website to another, by searching the Firearms Multimedia Guide's database of 41,000 models from 345 manufacturers from around the world with 14 search criteria, the user gets a search result literally in a second. The user can check out guns, compare them and their prices, check the ammo that they use, and start another search. Plus, guns are presented with exclusive high-resolution color pictures unavailable anywhere else. Now you will be able to see smallest details of engraving, checkering, open actions, etc. INTERLINKED FIREARMS AND AMMUNITION DATABASES Finding out the stopping power or effective reach of any pistol, revolver, rifle or shotgun in the Firearms Multimedia Guide is a simple task. Each model of firearm is connected with all ammunition in that specific caliber. While checking one gun out, with just one click of the button the user can see bullet styles, bullet weights, features, velocities, energies and trajectories of all ammo in that caliber.

With over seven million copies sold, this is the must-have reference book for gun collectors and firearm enthusiasts of all ages. Published annually for more than eighty years, the Shooter's Bible is the most comprehensive and sought-after reference guide for new firearms and their specifications, as well as for thousands of guns that have been in production and are currently on the market. Nearly every firearms manufacturer in the world is included in this renowned compendium. The 106th edition also contains new and existing product sections on ammunition, optics, and accessories, plus newly updated handgun and rifle ballistic tables along with extensive charts of currently available bullets and projectiles for handloading. With a timely feature on the newest products on the market, and complete with color and black-and-white photographs featuring various makes and models of firearms and equipment, the Shooter's Bible is an essential authority for any beginner or experienced hunter, firearm collector, or gun enthusiast. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Provides step-by-step instructions and manufacturer specifications for all aspects of firearms maintenance while sharing accompanying tips for a wide range of firearms categories.
