Numerology is arguably the oldest of the divination arts and often the least understood. In the Complete Book of Numerology, Joyce Keller and her

collaborator and husband Jack Keller provide a simple, intelligent, and useful guide which outlines the history, the various systems (Pythagorean, Chaldean, and Chinese), as well as the uses and applications of numerology. From numerology as applied to names and what it can tell you, the concept and reality of "lucky" and "unlucky" numbers, and the practical applications of numerology (for success, evaluating relationships, and to anticipate the larger cycles of life), the Complete Book of Numerology provides readers with a solid understanding, allowing them to utilize and incorporate into their life this, the science of the ancients.

Based on 40 years of study and research, *Discovering the Inner Self* is one of the most respected and definitive guides to numerology available. When first writing this book Dr David Phillips believed that numbers were becoming more important than words and that can certainly be said for the new millennium. *Discovering the Inner Self* enables you to understand the connection between your numerological patterns and your levels of abundance, health and the quality of your relationships. It is the perfect book for anyone with an interest or a fascination in the power of numbers.

The book begins with a fascinating explanation of what numerology is and an intriguing look at the philosophy that lies behind it. It then examines how numerology works, focusing on the numeric meanings of personal names, birth dates, and language in general. Included is a step-by-step guide to calculating your own numbers and interpreting them in chart form. Special attention has been paid to keeping the math simple and unintimidating, and to emphasizing how numerology can personally apply to the reader.

A complete review of the belief in numerology, containing resources on its application in history, literature, film and television in the US and abroad.

An updated guide to the popular divination system explains the basics of numerology and how to explore the future using numbers such as a birth date, birth name, and address. Original.

Reveal the answers to life's questions by learning how to solve the hidden codes all around you, with *The Ultimate Guide to Numerology*. Numbers underpin our day-to-day lives. Our birthday, anniversaries, addresses, and bank accounts—these complex series of numbers all contain codes to where we may find fortune, and where cycles of opportunity reside for us in our careers, homes, relationships, and life events. You can even use numbers to determine your soul's purpose! *The Ultimate Guide to Numerology* is the first book to reveal this captivating subject in its entirety. Written by master numerologist Tania Gabrielle, this guide to the inner workings of numbers will teach you how to forecast outcomes, optimize timing on projects and events, take advantage of opportunities, and avoid pitfalls. This fascinating beginner's guide shows how to decipher your personal birth code and learn what messages the numbers in your life hold. *The Ultimate Guide to Numerology* is the codex to break the codes!

This is unlike any other book on numerology, because it reveals the science behind this ancient mystical art and explains why it works. It is also the first book to present a thorough explanation of the numbers and letters, starting with their origins--the how and why of their design--and exploring their nature in names and language. In addition, it introduces the Inner Guidance Number, a powerful tool for accessing our inner knowing. Note: This is a repackaging of *The Secret Science of Numerology: The Hidden Meaning of Numbers and Letters* by Shirley Lawrence (New Page, 2001; ISBN: 9781564145291), which has until recently only been available via Lightning Source.

Experience the power and deep meaning inherent in the spiritual science of numbers. This breakthrough book will show you that numerology consists of more than just nine numbers. It involves our entire mathematical system—from arithmetic to modern physics—and is rich in psychological insight. Combining the mystery of the occult with the objectivity of science, this book expands numerology far beyond any current concept of it. It explains the little-known history of number symbolism and offers a step-by-step progression of spiritual development. ·For those interested in the scientific/mathematical basis for the occult and numerology ·Presents a deeper, more meaningful level of Pythagorean numerology than anything available elsewhere ·Teaches how to do numerology and, more importantly, how to make the interpretations ·Offers a numerical interpretation of the nature of time

Numerology, the simplest of the occult sciences to master, offers deep insights into the personality. You can use numerology to understand yourself, friends, associates, and lovers. You can see the dynamics of relationships and you can determine the best time to marry, change jobs, move, invest, and travel. Here is the definitive work on Numerology. Organized for clarity that a beginner can grasp easily and detailed so that the advanced student will find useful new information. This volume is designed as a working manual. Among its features are many examples and some new material on the meanings of the Master Numbers and Doubled Numbers.
