HOW TO MASTER ENGLISH Once you master the vocabulary in this book you will have a very good foundation for speaking fluently about 36 everyday topics. This book is the ultimate stepping stone from 'intermediate' to 'advanced' English. Lots of intermediate English speakers tend to get trapped using the same vocabulary over and over again. They often only speak about subjects they know the words for and avoid anything outside of their 'comfort zone'. The problem with this is that even though they sound ok, they never really get any better. If you really want to improve, you need to be able to speak about a wide range of topics. For this, you will need to learn the special vocabulary connected to these

topics. What are the benefits of using this book?• You will learn over 600 useful words and phrases. • You will be able to speak about 36 new topics with confidence. This will greatly improve your English conversational ability. • All new words and phrases are introduced in fun and interesting articles and stories. So you will learn naturally. • Everything is explained in easy to understand English, so you can get used to 'thinking in English'. • There are 100's of example sentences to help you understand how these words and phrases are used in everyday language. • For each topic I have listed useful television shows and YouTube channels to help you practice your new vocabulary. Remember these are all topics that native speakers often talk about. They also tend to use specialised language so it's important that you know it too. If you are in the intermediate level

Want to take your business English to the next level? This is Book 1 and 2 of the very popular Business English series by Amazon bestselling author Jenny Smith. Most textbooks teach the same things; presentations, speaking on the phone etc. This is great at the beginning, but if you are going to succeed, you'll need more (and the bonus course covers this stuff anyway). You need to be able to walk into any business situation and feel seriously confident. That is why I wrote this book; to help you go from good to great. To really master business English. Learn: In Section 1 you will master 86 essential words and phrases that will give you an edge in the business world. Remember:

Section 2 contains 14 reading practice articles which contain all of the business vocabulary you discovered in the first book. This will help you both learn how they are actually used and help fix the vocabulary into your memory. The more you see a word in context the easier it will be to remember. Master: the language in the following essential business English topics. · General business English. · Start-ups. · Online business. · Finance. This book is the perfect stepping stone from ‘textbook’ business English to the ‘real’ language that will help you excel in the business world. If you are ready to truly advance, press the buy button and get started today.

to break out and start improving quickly? Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. What made me want to write this book? After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was.

Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much 'real' English in as many 'real-life' situations as possible. This will help you start to understand what people are actually saying and not just 'textbook' English. It will also help you

to naturally 'get a feel' for the language. Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself. How will this book help you? Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This series of books is an excellent way to be exposed to 'real everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
