In this new combined edition of The Fourth Dimension - Volumes One and Two, Dr. David (Paul) Yonggi Cho's comprehensive spiritual philosophy on the power of dynamic faith is brought together in one place for completeness and ease of reference.

Discover a new world of answered prayer and how to live by faith.

Many of Dr. Cho's books talk about life in the fourth dimension -- a realm that is more real than the physical world in which we live. He points out that the world we know was fashioned in the invisible fourth dimensions -- the spiritual realm -- and the things we see are only temoprary; whereas, spiritual things are eternal. In light of this, he wants each of us to gain entrance to the fourth dimension, the place where the God of might and miracles lives and moves.

Jesus said, "Knock and the door will be opened to you." Discover the keys that open the door to the Fourth Dimension for every child of God who wants to know and experience God in all His fullness. This book unlocks the door and leads readers into the spiritual dimension, a

wonderful place of love, peace, and joy, where they'll be inspired to fully live.

This colorful, visual introduction to the fourth dimension provides a clear explanation of the concepts and numerous illustrations. It is written with a touch of personality that makes this an engaging read instead of a dry math text. The content is very accessible, yet at the same time detailed enough to satisfy the interests of advanced readers. This book is devoted to geometry; there are no spiritual or religious components to this book. May you enjoy your journey into the fascinating world of the fourth dimension! Contents: Introduction Chapter 0: What Is a Dimension? Dressage is often seen as the most formal and controlled of the equine sports, following an ancient, standardized training progression. For philosopher and dressage instructor Dr. Sherry Ackerman, dressage is much more. It — along with riding in general — can be a transformational

art and an avenue for reflection, exploration, and self-knowledge through which a rider can experience liberation from the individual, egoistic self. This second, revised edition of *Dressage in the Fourth Dimension* is a pioneer work in awakening “dressage consciousness.” Drawing on such diverse sources as sacred geometry, ancient Western and Eastern philosophies, and esoteric spirituality, Ackerman seeks to heal humanity’s alienation from nature through riding. She points us toward the liberation from societal conditioning and normative thinking, and, ultimately, from our own egos. Her concept of the fourth dimension requires us to leave the analytic, objective mind behind and enter into the mystery of inspiration. A short, unique, thought-provoking work that has enjoyed a word-of-mouth reputation among horse people for years, *Dressage in the Fourth Dimension* will challenge riders’ assumptions about their horses and themselves.

A commemorative look at 50 years of Dr. Cho’s ministry of hope, released in time for his retirement this summer. Over the years, as he struggled to bring hope to people and build his church, God taught Dr. Cho not to depend upon himself but totally upon the Holy Spirit. In this book Dr. Cho tells the stories of his temptations and doubts, failures and successes, and how the Holy Spirit was with him in every situation. The teaching in this book will inspire the reader to stand strong in the face of adversity, doubt, and fear. Followers worldwide will add this highly anticipated autobiography to their collection of Dr. Cho’s coveted works.
