enduring and popular heroes in frontier fiction. His legendary exploits in books, movies, and on television have blazed a mythic and unforgettable trail across the American West. Now, in the last of four Hopalong Cassidy novels written by Louis L'Amour, the immortal saddleman rides again—this time into a lonely valley of danger and death. Hopalong Cassidy has received an urgent message from the dead. Answering an urgent appeal for help from fellow cowpuncher Pete Melford, he rides in only to discover that his old friends has been murdered and the ranch Pete left to his niece, Cindy Blair, had vanished without a trace. Hopalong may have arrived too late to save Pete, but his sense of loyalty and honor demands that he find that cold-blooded killers and return to Cindy what is rightfully hers. sprawling Box T ranch, and he has built his empire with a shrewd and ruthless determination. In search of Pete's killers and Cindy's ranch, Hopalong signs on at the Box T, promising to help get Tradway's wild cattle out of the rattler-infested brush. But in the land of mesquite and black chaparral, Cassidy confronts a mystery as hellish as it is haunting—a bloody trail that leads to the strange and forbidding Babylon plateau, to \$60,000 in stolen gold, and to a showdown with an outlaw who has already cheated death once... and is determined to do it again. When Clarence E. Mulford—the original Hopalong Cassidy—retired, he chose the young Louis L'Amour to carry on the Hopalong tradition in four classic novels, including The New York Times best-sellers *The Rustlers of West Fork*, *The Trail to Seven Pines*, and *The Riders of High Rock*. Tom Healy was in trouble. His theatrical troupe needed to get to Alder Gulch, Montana, and the weather was turning. Andy Barker promised Tom he could get them there safely, but Tom was reluctant to trust him: he had the lives of three actresses to consider, and his personal feelings for Janice further heightened his concern. Then King Mabry showed up. Although Tom didn't like the way he looked at Janice, he could see that Mabry made Barker uneasy. So Tom invited Mabry to join them. Tom was right to be worried, because Barker had a plan. He knew that the wagons carried something more than actors and scenery. He and his men were going to steal it any way they could. And that included murder.
