The Whitney I knew. [BeBe Winans; Timothy D Willard] -- An exploration of the life of singer Whitney Houston from the perspective of the gospel singer who considered Houston to be a sister and member of the extended Winans family.

A virtual album of BeBe Winans' treasured memories of his friend and "sister," Whitney Houston. In the years between the first time BeBe Winans and Whitney Houston met in 1985, to the day he delivered the tribute that touched a watching nation at Houston's funeral, a deep and unique friendship bloomed and thrived. They considered each other family in the truest sense of the word.

The New York Times Bestseller! After decades of silence, Robyn Crawford, close friend, collaborator, and confidante of Whitney Houston, shares her story. Whitney Houston is as big a superstar as the music business has ever known. She exploded on the scene in 1985 with her debut album and spent the next two decades dominating the charts and capturing the hearts of fans around the world. One person was there by her side through it all—her best friend, Robyn Crawford. Since

Read Online The Whitney I Knew

Whitney's death in 2012, Robyn has stayed out of the limelight and held the great joys, wild adventures, and hard truths of her life with Whitney close to her heart. Now, for the first time ever, Crawford opens up in her memoir, *A Song for You*. With warmth, candor, and an impressive recall of detail, Robyn describes the two meeting as teenagers in the 1980s, and how their lives and friendship evolved as Whitney recorded her first album and Robyn pursued her promising Division I basketball career. Together during countless sold-out world tours, behind the scenes as hit after hit was recorded, through Whitney's marriage and the birth of her daughter, the two navigated often challenging families, great loves, and painful losses, always supporting each other with laughter and friendship. Deeply personal and heartfelt, *A Song for You* is the vital, honest, and previously untold story that provides an understanding of the complex life of Whitney Houston. Finally, the person who knew her best sets the record straight.

The definitive account of Whitney Houston's astonishing life, ground-breaking career, and tragic death — complete with never-before-seen photographs — from the only one who truly knows the story behind the headlines: her mother, Cissy Houston. Cissy has said little publicly about Whitney's heart-breaking death. Now, for the first time, she opens up and shares the unbelievable story of her daughter's life, as well as her own, and addresses Whitney's brightest and darkest moments. A legendary Grammy Award-winning gospel singer in her own right, Cissy Houston shows how the lessons from her own musical journey helped to shape Whitney's

Read Online The Whitney I Knew

career — from teaching Whitney to use her voice, to keeping her level-headed throughout her meteoric rise to fame. With candor and respect, she sets the record straight about Whitney, exploring both her turbulent marriage and her misunderstood struggles with drug abuse. Cissy goes behind the tabloid headlines to show fans around the world the true, human side of a strong, successful — yet flawed — musical icon who died much too young.

BeBe Winans, six-time Grammy Award-winning singer and member of Gospel music's royal family, shares the candid and close-up journey of pursuing his dreams while holding on to his faith. Benjamin "BeBe" Winans always knew he was born to be a Gospel singer. Growing up watching his four older brothers perform fueled his dream to be on stage, and as teenagers, he and his younger sister CeCe were offered the opportunity to move from Detroit to North Carolina and join the Praise the Lord Singers for The PTL Club, hosted by the eccentric Jim and Tammy Faye Bakker. Under the Bakkers' wings, BeBe and CeCe became the most popular televangelical stars in America and soon found themselves choosing between their family values and the temptations of fame and fortune. Like a conversation with a lifelong friend, BeBe invites readers and loyal fans alike to share in never-before-revealed details about life in the crossfires between church, Gospel music, and the mainstream recording industry. He shares personal stories about his mentor Andraé Crouch and close friend Whitney Houston, who both had a major impact on his life. As he reflects on the obstacles, the disappointments, the victories, the

surprises, the racism, and the love he has encountered, he realizes that when we understand our value before God, we can participate in a daily glory and peace for which we were all born.

Recounts the author's experiences with the legendary singer to share the woman he knew as he produced some of her top hits, including "How Will I Know," "I Wanna Dance with Somebody," and "Where Do Broken Hearts Go."

“Crucial in understanding the evolution of the American art scene.”—Library Journal Until Gertrude Vanderbilt Whitney opened her studio—which evolved into the Whitney Museum almost two decades later—on Eighth Avenue in Manhattan in 1914, there were few art museums in the United States, let alone galleries for contemporary artists to exhibit their work. When the mansions of the wealthy cried out for art, they sought it from Europe, then the art capital of the world. It was in her tiny sculptor’s studio in Greenwich Village that Whitney began holding exhibitions of contemporary American artists. This remarkable effort by a scion of America’s wealthiest family helped to change the way art was cultivated in America. *The Whitney Women and the Museum They Made* is a tale of high ideals, extraordinary altruism, and great dedication that stood steadfast against inflated egos, big businesses, intrigue, and greed. Flora Biddle’s sensitive and insightful memoir is a success story of three generations of forceful, indomitable women.

"In 'Impeccable Connections,' Malcolm MacKay, who knew his subject, attempts to fathom the man whom puzzled contemporaries could not." —Maxwell Carter, writing for the The Wall Street Journal "Read this spellbinding book, which repeatedly takes your breath away, and learn that some things never change." —Craig R. Whitney, author of LIVING WITH GUNS: A LIBERAL'S CASE FOR THE SECOND AMENDMENT Although Richard Whitney is not a common name today, the story of his rise to the top of Wall Street and fall to Sing Sing presages the more recent trajectories of men such as Bernard Madoff, Ivan Boesky, and Charles Keating. In a sense, Whitney's fall was even greater in that he started at the top of the old-guard establishment. "NOT DICK WHITNEY. NOT DICK WHITNEY!" President Franklin D. Roosevelt exclaimed upon being told Richard Whitney, the long-time president of the New York Stock Exchange, was a criminal. Almost ten years earlier, on October 24, 1929, Black Thursday, as one newspaper's headline put it the next day, "Richard Whitney Halts Stock Panic." In 1934, he appeared on the cover of Time magazine, hailed as the leader of the securities industry in its fight against New Deal regulation. Whitney's message was clear: the securities industry could regulate itself, and the federal government should stay out. Sound familiar? This book tells the tale of Richard Whitney and describes in detail the banking and investment structure that precipitated the stock market collapse of 1929, and how as president of the New York Stock Exchange, Richard Whitney played his role while manipulating powerful and trusted friends.

Let New York Times bestselling author Judith McNaught who “is in a class by herself” (USA TODAY) sweep you off your feet and into another time with her sensual, passionate, and spellbinding historical romance classics, featuring her “unique magic” (RT Book Reviews)—now available for the first time on ebook. A saucy spitfire who has grown into a ravishing young woman, Whitney Stone returns from her triumphant time in Paris society to England. She plans on marrying her childhood sweetheart, only to discover she has been bargained away by her bankrupt father to the arrogant and alluring Clayton Westmoreland, the Duke of Claymore. Outraged, she defies her new lord. But even as his smoldering passion seduces her into a gathering storm of desire, Whitney cannot—will not—relinquish her dream of perfect love. Rich with emotion, brimming with laughter and tears, *Whitney, My Love* is “the ultimate love story, one you can dream about forever” (RT Book Reviews).

Our world is filled with fake facades, from the unrealistic filters used on social media to the “holier than thou” personas seen in certain hypocritical believers. To combat the fake trends, a new trend has emerged—one that fights the facade with transparency and vulnerability. Instead of being filtered or super-spiritual, we’re told to be real and honest. And rightly so. We should be getting real with each other about our junk. But should we stop there? Should we gather to simply commiserate about our current version of “me”? Is community about more than just feeling understood by one another in our hard places, or does God have actual

Read Online The Whitney I Knew

change in store for us beyond brokenness In *Sick of Me*, Whitney Capps shows us that spiritual growth means being both honest and holy—that we can come to Jesus just as we are, but we cannot stay that way. While virtues like vulnerability, honesty, and humility are desperately needed, we should fight for more. After all, the gospel is a change-agent. Whitney calls us beyond trendy transparency and into something better: true transformation. If you want to be honest about all your junk, but are also sick of staying there—*Sick of Me* is for you.

When Whitney Houston died shockingly young at 48 years old this February, headlines around the world lamented the passing of The Queen of Pop—a title never bestowed, but one obviously referring to Michael Jackson and his too-young fate. Those headlines weren't wrong. In the 1980s and into the '90s, Whitney ruled the pop world—her songs were the soundtrack of our lives. More: Her own life was extraordinary, and in the end extraordinarily tragic. In this new commemorative, LIFE Books seeks to celebrate—and try to explain—Whitney Houston. What a singer. What a life.
