Tigers, like most mammals, utilize their lungs to respire gaseous oxygen from the atmosphere using diaphragm muscles to inhale and exhale. Tigers rarely use their sense of smell for hunting; their olfactory senses are used to scent-mark territory and for mating. The feline leukemia virus is a common ailment among tigers that causes respiratory problems.

Trigonella foenum seed, hu lu ba, or fenugreek seed is a Kidney tonic herb in Chinese medicine, but is often used as a Lung support herb in western herbal medicine. This is an especially helpful herb for those who have trouble inhaling, as the Kidney energy actually "grasps the Qi" when we breath according to TCM.

This is a story about Tiger Lung, an ice-age shaman, and his journey underneath a glacier and into the spirit world beneath it to retrieve the corpse of his father. But dark spirits abound beneath the ice, and should Tiger Lung fall, the souls of both him and his father will be trapped there forever. This highly original and beautifully drawn series imagines a prehistoric world of which man is just a tiny part.

Struggling to understand why her beloved grandfather left his family to die alone in a field hospital far from home, a young doctor in a war-torn Balkan country takes over her grandfather's search for a mythical ageless vagabond while referring to a worn copy of Rudyard Kipling's "The Jungle Book."

Mr. Carlos Castaneda accomplished the feat to introduce the ancient Inca-Shamanism (how to beckon the spirit, how to bring up supernatural power or our immaterial fibers or third attention called a phenix in Egypt within our bodies, how to become healthy-happy-efficient, and how to fuse with the universe without losing consciousness and live there for 2 billion years? as a phenix) by his 12 best seller books. He sent another new bible to the world. Reviewing his books, I think the following points are essential for us to attain the goal of Inca-Shamanism. They are stopping your breath automatically, sleeping without losing consciousness, circulating your energy in your physical body, cleaning up your central energy pipe, making the beautiful strong energetic core of abdomen, flexible and firm abdomen, good spine, the secret of physiognomy, good complexion, rejuvenation, fasting, influence of other people and of devils, cutting the pipe of floating devil above your head, good relationship with opposite sex, dependable self-importance, good repentance, imagining powerful men such as Christ and absorbing the power of various voices and of various flights. So, I have added them.

Extending from the city limits to Victoria Peak, Lung Fu Shan Country Park is Hong Kong's smallest country park. It is also one of the most ecologically diverse, with a variety of plant and animal life, spectacular views, and a network of woodland walks. Drawing on three years of nature surveys by staff and volunteers from the University of Hong Kong, the guide introduces the wildlife of Lung Fu Shan, suggests several walking routes, and offers advice and tips on observing flora and fauna at observation checkpoints. The guide includes 140 colour photographs and several maps.
