Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

This Prius repair manual contains the essential information and know-how you need to take the mystery out of servicing the Toyota Prius with Hybrid Synergy Drive®. You'll find step-by-step directions from safely disabling the high voltage system to real-world practical repair and maintenance procedures and full-color technical training. Model and engine coverage: 2004 - 2008 Prius NHW20 and 1NZ-FXE Engines.

The Collapse of Common Sense: Preservation of Big Oil and the Big Three Automakers. In 2003 "FreedomCAR" (Freedom Cooperative Automotive Research) was created as a public-private partnership between the United States Department of Energy, BP America, Chevron, ConocoPhillips, ExxonMobil, Shell Hydrogen, and The United States Council for Automotive Research (USCAR - a partnership among Daimler/Chrysler, Ford Motor Company and General Motors). What are the oil and automotive corporations doing together? What happened to Toyota's RAV4-EV program that produced 100% electric sports utility vehicles (that's right, SUV's!) that are still running, today, at a cost of two cents per mile? Engineer Nevres Cefo shows how Americans are being systematically misinformed and trapped with only one choice for their future transportation needs: the internal combustion engine and liquid fuels. Can we change the course of where we are going and how we get there? Yes we can, and Cefo shows you how to do it.

Offers advice for prospective buyers of cars and trucks, reveals information on secret warranties and confidential service bulletins, and tells how to complain and get results.

Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on

the market. “ Dr. Phil, ” along with George Iny and the Editors of the Automobile Protection Association, pull no punches.

For the first time in one volume, Phil Edmonston, Canada ’ s automotive “ Dr. Phil, ” covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

'The global oil industry is an exceptionally complex one, and its importance to governments, business and society as a whole is immense...The New Economy of Oil aims to set out the challenges and choices ahead, and it makes a fascinating read.' Business News 'John Mitchell, in this excellent book, is looking at the new elements which may influence, or indeed determine, the shape of the oil industry, the behaviour of the main actors, the forces of supply and demand, and the price path.' From the Foreword by Robert Mabro, Director, Oxford Institute for Energy Studies 'The New Economy of Oil is a superior, state-of-the-art tour of a conventional scenario about the near future of the world's oil and oil economy and polity.' Society and Natural Resources In a world where international accountability is increasingly important, the oil industry faces an unprecedented series of challenges. Mitchell's main theme is that the acceptability of oil is becoming more important than its availability. The implications are enormous, given the huge current dependence on oil of so much industry and government revenue. This book is of importance to all those involved with oil - from industry professionals to competitors, commentators, investors, managers, politicians and regulators.

Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters.

A brand-new series in which murder is anything but elementary After Tarver Elementary School's unpopular principal is murdered, PTA secretary and mother of two Beth Kennedy puts aside bake sales and class trip fund-raisers to catch a killer. And when members of the PTA become suspects, she realizes solving this murder will not be as easy as ABC...
