For Sale: One American Castle (ghost included) According to local lore, Crowfoot Castle in Bittersweet, New York, is haunted. It's not the castle ghost who's unnerving the new owner, Indian War veteran Tobias Rakes--but the beautiful housekeeper, Genevieve Crowfoot. Genevieve knows she should leave Tobias to the mercy of the castle ghost. But when she spies the tenderness beneath his haughty eyes, she refuses to abandon him, and stays on as his housekeeper. Now, Genevieve faces a new invisible force--a love that'll strike like summer lightning. But first, she and Tobias must survive the shadowy assailant who intends to do more than just run them out of the castle. For courses in precalculus. Visualize. Interact. Succeed. The Graphs and Models series by Bittinger, Beecher, Ellenbogen, and Penna is known for helping students "see the math" through its focus on visualization and technology. These texts continue to maintain the features that have helped students succeed for years: focus on functions, visual emphasis, side-by-side algebraic and graphical solutions, and real-data applications. With the Sixth Edition, visualization is taken to a new level with technology, and students find even more ongoing review. Also available with MyMathLab MyMathLab® is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them absorb course material and understand difficult concepts. New Guided Visualizations in MyMathLab help students allow for hands-on manipulation to gain understanding of difficult concepts. References to 28 Just-In-Time review topics are placed throughout the text and MyMathLab to help students right when they need it most, and new Cumulative Review Assignments and Skill Maintenance Quizzes are pre-made and assignable in MyMathLab to help students connect concepts and maintain skills throughout the course. Plus, new Video Assessment Exercises and a new Video Notebook further enhance the MyMathLab course and resources available.
