Old books were printed before the year 1701, and the aim of this catalogue is to give particulars and locations of over 200 copies of some 160 works which are preserved in British and Irish collections. The books come from presses that were sited in present-day Montenegro, Italy,

required to further support research and development of language technologies also differ for each language. The required actions depend on many factors, such as the complexity of a given language and the size of its community.

META-NET, a
