Switch your pastas and breads from white to whole-grain, swap white potatoes for yams or beans, and explore new grains like quinoa. Aim for high-fiber carbohydrate sources — they tend to be high-quality.

Read Online Understanding The Many Faces Of Human

For almost a century the concept of guilt, as embedded in drive theory, has dominated psychoanalytic thought. Increasingly, however, investigators are focusing on shame as a key aspect of human behavior. This volume captures a range of compelling viewpoints on the role of shame in psychological development,

The development of modern science, and

Read Online Understanding
The Many Faces Of Human
its increasing impact on our lives and
cultures, is one of the great stories of our
time. So, understanding--and coming to
terms with--the institution of modern
science should be an integral part of
education. In *The Many Faces of Science*,
Leslie Stevenson and Henry Byerly
masterfully, and painlessly, provide the

Read Online Understanding The Many Faces Of Human

basic information and the philosophical reflection students need to gain such understanding. The authors make good use of case study methods, and they introduce us to dozens of figures from the history of science. Stevenson and Byerly provide an elementary sketch of the development of science through the lives of its

Read Online Understanding The Many Faces Of Human

practitioners, and they examine the often mixed motives of scientists, as well as the conflicting values people bring to science--and to their perceptions of its impact on society. The authors also explore the relationship between scientific practice and political and economic power. Accessible and rich with anecdotes,
