binding—just to name a few. They had largely remained silent because they did not have a voice. As China descended to abject poverty in the nineteenth century, the lot of Chinese women became even worse. When Chinese women came to Malaysia (Malaya then) largely from the nineteenth century onwards, the circumstances became different. Under British law, they were the equal of men, but social conditions took some time to evolve. For instance, daughters were left out of inheritance until quite recently, sons received preferential treatment in education and polygamy was declared illegal only in the 1930s. But Chinese women became successful entrepreneurs through their own ability, and, through education, many of them became distinguished professionals. Phoenix

Rising, Pioneering Chinese Women of Malaysia is the story of Chinese women who have immigrated to this country and forged independent lives different from their lives in China. They have shown courage, resilience and determination in improving their lives. Like the phoenix, the mythological bird that symbolises the Chinese woman, they are set to soar to greater heights given equal opportunities and just social conditions.

As their final battle approaches, a sellsword, a spy, and a general must find unlikely and dangerous allies in order to turn the tides of war in the final book of Brian McClellan's epic fantasy trilogy. The Dynize have unlocked the Landfall Godstone, and Michel Bravis is tasked with returning to Greenfire Depths to do whatever he can to prevent them from using its power; from sewing dissension among the enemy ranks to rallying the Palo population. Ben Styke's invasion of Dynize is curtailed when a storm scatters his fleet. Coming ashore with just twenty lancers, he is forced to rely on brains rather than brawn -- gaining new allies in a strange land on the cusp of its own internal violence. Bereft of her sorcery and physically and emotionally broken, Lady Vlora Flint now marches on Landfall at the
