Combines the latest research and discoveries with a humorous eye to take us inside the Viking world So you want to be a Viking? Vikings are the lords of the northern seas. Fame, glory, and wealth await those who brave storms and enemy spears to plunder far and wide in foreign lands. Who wouldn't like to come home laden with silver, earning a reputation that will live on long after lesser men have been forgotten? This book tells you everything you need to know to become a successful Viking warrior in the tenth century. How to join a Viking war band What to look for in a good Viking leader How to behave at a feast How to choose the right weapons and armor How to plunder a monastery and ransom a monk How to navigate at sea

From Finland to Newfoundland and Jelling to Jerusalem, follow in the wake of the Vikings—a transformative story of a people that begins with paganism and ends in Christendom. In AD 800, the Scandinavians were just barbarians in longships. Though they held sway in the north, their power meant little more than the ability to pillage and plunder, which they did to bolster their status at home. But as these Norse warriors left their strongholds to trade, raid, and settle across wide areas of Europe, Asia, and the North Atlantic, their violent and predatory culture left a unique imprint on medieval history. The twist that no one predicted, however, was a much slower, insidious takeover than any the Vikings would execute, and by a turn of the tide, they themselves became its target. For as they made their mark on Europe, Europe made its mark on them. By the year 1200, what remained of the Vikings' pagan origins floated beneath the surface and the strong, strange territories of the north had become a part of Latin Christendom. Northmen is there to tell the tale, to pay homage to what was lost and celebrate what was won. Focusing on key events, including the sack of Lindisfarne in 793 and the Battle of Stamford Bridge in 1066, medieval history expert John Haywood recounts the saga of the Viking Age, from the creation of the world through to the dwindling years of halfhearted raids and elegiac storytelling in the thirteenth century. He does so with meticulous research, engaging narrative, and sensitivity for his subject, shedding light and blood along the way.

An entertaining yet factual insider's guide: how to become a gladiator, hone your fighting skills, and thrill the crowds in the Colosseum. So you think you'd like to be a gladiator? Find out how to get thousands to idolize you as the strongest, meanest fighter in the Roman empire. Win fame and fortune in one of Rome's most glamorous locations, in the presence of the emperor himself. Who wouldn't kill for a job like that? This handy guide tells you everything you need to know before you step out to fight for your life in front of a roaring crowd: Why you should become a gladiator How to join the most glamorous—yet lethal—profession on earth Who will try to kill you, and with what Which arena of the empire is the right one for you When and how often you will fight What happens before, during, and after a duel Combining the latest research with modern reconstructions, Gladiator helps you experience firsthand the spectacular yet brutal life and death of the most iconic figure of ancient Rome.

An insider's guide: how to join the Roman legions, wield a gladius, storm cities, and conquer the world Your emperor needs you for the Roman army! The year is AD 100 and Rome stands supreme and unconquerable from the desert sands of Mesopotamia to the misty highlands of Caledonia. Yet the might of Rome rests completely on the armored shoulders of the legionaries who hold back the barbarian hordes and push forward the frontiers of empire. This carefully researched yet entertainingly nonacademic book tells you how to join the Roman legions, the best places to serve, and how to keep your armor from getting rusty. Learn to march under the eagles of Rome, from training, campaigns, and battle to the glory of a Roman Triumph and retirement with a pension plan. Every aspect of army life is discussed, from drill to diet, with handy tips on topics such as how to select the best boots or how to avoid being skewered by enemy spears. Combining the latest archaeological discoveries with the written records of those who actually saw the Roman legions in action, this book provides a vivid picture of what it meant to be a Roman legionary.

First published in 2011 in hardcover in the United States of America as The New Atlas of World History by Thames & Hudson, Inc.

Combines the latest research with contemporary lives, descriptions, and reconstructions to provide a dramatic picture of what it was like to be a samurai. So you think you'd like to be a samurai? It's 1615 and the samurai, Japan's elite fighting class, are at the zenith of their powers. Trained in every manner of combat, from sword fighting and archery to karate and jujitsu, the samurai warrior is the emperor's last line of defense against the lewd and sordid barbarians of Japan and beyond. This handy manual tells you everything you need to know about maintaining the honor of the samurai class both on and off the battlefield. □ How to master the Way of the Warrior □ Whom you should kill, and what to do with the heads afterward □ What the cultured samurai does between battles □ How to storm or lay siege to a castle □ How to conduct a tea ceremony with Zen-like composure □ How to prepare for entry into the White Jade Pavilion after your death

An insider's guide: how to become a knight, wield a sword, join a Crusade, and make your fortune. The knight is the supreme warrior of the Middle Ages. Fully armored and mounted on a magnificent charger, he seems invincible. Honor and glory await him as, guided by the chivalric code, he fights with lance and sword. This carefully researched yet entertaining book provides all the essential information you need to become a successful knight in the later Middle Ages, during the period of the Hundred Years' War. Should you go on a Crusade? Which order of chivalry might you consider joining? What is required when you go through the ceremony of knighthood? Here are the answers to these and many more questions plus practical advice on topics such as equipment, fighting methods, and the conventions of warfare. But the knightly life is not all battles and sieges: there are also tournaments and jousts to enjoy and the world of courtly love. Based on contemporary lives and descriptions, this book—written by a leading medieval historian—paints a vivid picture of what it was like to be a medieval knight.

This book is the third and final volume in the series Viking Sword and Shield Fighting: Beginners Guides. It is a step by step guide on how to fight with Viking era sword and shield. It contains three main sections, examples of the techniques and movements, Single Person Drills and Partner Drills, so that students can train alone or with a partner. This series takes the fighter from knowing nothing to competence in three comprehensive though simple books. These books are designed to facilitate easy learning using the unique Timeline system, because the pictures are arranged specially in a flow from left to right. The Author has over 33 years experience fighting with these weapons and has brought together research in old fighting manuals and combined it with his own knowledge to produce the definitive introduction to Viking Era Fighting techniques.

A lively yet historically accurate guide: how to dress like a pirate, what to expect of life on the high seas, and how to capture treasure
