specialists and public defenders now handle the criminal cases that used to keep civil lawyers trial-ready. However, the procedures and cases governing New York courtrooms -- and the techniques that work in them -- must still be learned and remembered. Here is the solution. Courtroom veterans Ed Birnbaum, Carl Grasso, and Justice Ariel Belen have blended their hard-won trial lessons with the law and rules governing New York trials in New York Trial Notebook. This practical work is heavily-supported with 2,000 cases containing parenthetical descriptions and pinpoint citations, more than 80 forms in print and via Digital Access, and dozens of practice tips. New York Trial Notebook delivers: Expert witness disclosure • Boundaries of the treating-physician exemption from disclosure. §5:04 • Good practice on requests for expert witness disclosure. §5:22 • How much disclosure is sufficient. §5:41 • When preclusion is the appropriate remedy for late disclosure, §5:50, and when it is not. §5:51 • Tactics for admission and preclusion, with forms. §5:51 Eve-of-trial preparation • Case law for common motions in limine. §13.06 • Responsive tactics. §13:23 • Plaintiff's proven case themes for liability, §14:20, and damage. §14:21 • Same for the defense. §§14:32 and 33 • Themes effective in commercial litigation. §14:40 • What to put in your trial notebook. §14:51 Expert witness testimony • When cumulative expert testimony is permissible. §15:81 • Rules and cases on expert opinion evidence. §15:90 • Frye hearings during trial, with forms. §15:131 • Adequate and inadequate bases for expert opinions. §15:141 • For medical opinions. §15:163 • Is a complete factual predicate necessary? §26:53 Jury selection • Objecting to questions omitted in judicial voir dire. §20.13 •

discrimination, equal pay and family friendly provisions. This new edition has been fully revised and updated with all major legislative and case law developments affecting the topics covered within the manual, in particular, consideration is given to the impact of new age discrimination provisions on current anti-discrimination in employment laws. Containing a dedicated chapter specifically focusing on the regulations and procedural aspects of employment tribunals, *Employment Law in Practice* fully equips the reader with knowledge of the workings of employment tribunals which will be essential for success in practice. Adopting a highly pragmatic approach aimed at preparing the reader for practice in employment tribunals, the manual contains a specialist section guiding the reader through the completion of forms, highlighting how to deal with interlocutory stages, how to use special procedures and accurately record settlements which will strengthen their success in practice. Designed to accompany the employment law option on the Bar Vocational Course, this manual is also appropriate for anyone who might require practical and accessible guidance on conducting cases in employment law tribunals.
