When she brings on a bereaved war widow in an attempt to boost ratings, though, things start to go wrong. I really enjoyed this short story.

#1 NEW YORK TIMES BESTSELLER • A deeply moving, gripping, and intelligent page-turner about a daughter's search for her mother, *Leaving Time* is Jodi Picoult at the height of her powers. Includes the novella *Larger Than Life* Throughout her blockbuster career, Jodi Picoult has seamlessly blended nuanced characters, riveting plots, and rich prose, brilliantly creating stories that “not only provoke the mind but touch the flawed souls in all of us” (The Boston Globe). Now, in *Leaving Time*, she has delivered a book unlike anything she's written before. For more than a decade, Jenna Metcalf has never stopped thinking about her mother, Alice, who mysteriously disappeared in the wake of a tragic accident. Refusing to believe she was abandoned, Jenna searches for her mother regularly online and pores over the pages of Alice's old journals. A scientist who studied grief among elephants, Alice wrote mostly of her research among the animals she loved, yet Jenna hopes the entries will provide a clue to her mother's whereabouts. Desperate to find the truth, Jenna enlists two unlikely allies in her quest: Serenity Jones, a psychic who rose to fame finding missing persons, only to later doubt her gifts, and Virgil Stanhope, the jaded private detective who'd originally investigated Alice's case along with the strange, possibly linked death of one of her colleagues. As the three work together to uncover what happened to Alice, they realize that in asking hard questions, they'll have to face even harder answers. As Jenna's memories dovetail with the events in her mother's journals, the story races to a mesmerizing finish. Praise for *Leaving Time* “Piercing and uplifting . . . a smart, accessible yarn with a suspenseful puzzle at its core.”—The Boston Globe “Poignant . . . an entertaining tale about parental love, friendship, loss.”—The Washington Post “A riveting drama.”—Us Weekly “[A] moving tale.”—People “A fast-paced, surprise-ending mystery.”—USA Today “In Jenna, [Jodi] Picoult has created an unforgettable character who will easily endear herself to each and every reader. . . . *Leaving Time* may be her finest work yet.”—Bookreporter “[A] captivating and emotional story.”—BookPage

From Jodi Picoult, #1 New York Times bestselling author of *The Storyteller* and *My Sister's Keeper*, comes a gripping and beautifully written novella, now available exclusively as an eBook. Set in the wilds of Africa, *Larger Than Life* introduces Alice, the unforgettable character at the center of Picoult's anticipated new novel, *Leaving Time*. A researcher studying memory in elephants, Alice is fascinated by the bonds between mother and calf—the mother's powerful protective instincts and her newborn's unwavering loyalty. Living on a game reserve in Botswana, Alice is able to view the animals in their natural habitat—while following an important rule: She must only observe and never interfere. Then she finds an orphaned young elephant in the bush and cannot bear to leave the helpless baby behind. Thinking back on her own childhood, and on her shifting relationship with her mother, Alice risks her career to care for the calf. Yet what she comes to understand is the depth of a parent's love. Praise for Jodi Picoult “Picoult is a skilled wordsmith, and she beautifully creates situations that not only provoke the mind but touch the flawed souls in all of us.”—*The Boston Globe* “Picoult is a rare writer who delivers book after book, a winning combination of the literary and the commercial.”—*Entertainment Weekly* “Jodi Picoult's novels do not gather dust on the bedside table. They are gobbled up quickly and the readers want more.”—*Los Angeles Times*

“A candid story of desperate measures, explosive humor, and, ultimately, the sanity behind seeming madness. It teaches a new understanding of family love.” —Jo Radner, reviewer for the National Storytelling Network's magazine *Family: comfort food or a recipe for disaster?* Award-winning storyteller and performer Regi Carpenter brings her humor and honesty to print in *Where There's Smoke, There's Dinner*. Regi is the youngest daughter in a family that pulsates with contradictions: religious and raucous, tender but terrible, unfortunate yet irrepressible. These honest tales—some hilarious, some heartbreaking—celebrate the glorious and gut-wrenching lives of four generations of Carpenters raised on the Saint Lawrence River in Clayton, New York. From teenagers struggling to find their identity to disabled veterans grappling with the aftermath of war and change to the complications and sweetness of love between family members, this collection of linked short stories holds the universal message that life's difficulties are softened by love and fortitude . . . and family. “Inventive, insightful, emotionally nuanced in the midst of deadpan humor; but more than that, here is a great, big-hearted embrace of the world.” —Loren Niemi, producer, *Two Chairs Telling* “This book brings us to a place where we discover the eventual and abiding power of love over death. It is so very loving and affirming of total recovery from childhood and of the power of forgiveness that heals in two directions.” —Donald Davis, author of *Tales from a Free-Range Childhood*
