What you need to know - now! Designed for beginning language students (no prior knowledge of Spanish is assumed), for whom success in the field is vitally important, Spanish for Health Care prepares you to use “real-life language” on the job—immediately. A focus on practical language learned in context makes Spanish accessible for the health professional.

Packaged automatically with the worktexts, each CD contains: Audio recordings of all lesson dialogs found in each of the six worktexts Audio files to accompany *Práctica* oral section of each *Repaso* self-test.

Simply the best investment for anyone learning to write in French! This powerful program combines the features of a word processor with databases of language reference material, a searchable dictionary, a verb conjugating reference, and audio recordings of vocabulary, and example sentences. You will quickly learn to read, analyze, see word associations, and understand the link between language functions and linguistics structures in French.

As a key component of The Basic Spanish Series, BASIC SPANISH FOR GETTING ALONG is a communication manual designed to serve those who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, this worktext presents everyday situations that students may encounter when traveling or living in Spanish-speaking countries or when dealing with Spanish-speaking people in the United States. BASIC SPANISH FOR GETTING ALONG, Enhanced Second Edition, introduces essential vocabulary and provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text. When used in combination, BASIC SPANISH and BASIC SPANISH FOR GETTING ALONG, Enhanced Second Edition, create a perfect introductory conversation class at the college level or in adult education classes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

As a key component of The Basic Spanish Series, BASIC SPANISH FOR SPANISH FOR MEDICAL PERSONNEL, Enhanced Second Edition, is a communication manual designed to serve those in the medical professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, this worktext presents everyday situations that medical students, pre-professionals, and professionals may encounter at work settings such as hospitals, emergency rooms, doctors' offices, and clinics when dealing with Spanish-speaking patients and personnel in the United States. BASIC SPANISH FOR SPANISH FOR MEDICAL PERSONNEL, Enhanced Second Edition, introduces essential medical vocabulary, practical reference information, and medical notes written from a cross-cultural perspective. It provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the BASIC SPANISH core text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
