Writing realistic fight scenes can feel like being in one. Then again, being in a fight involves reaction, quick thinking, and intuition. A lot of times writing the scene takes the opposite: careful choreography, thinking, and re-thinking—and more. When I started writing fight scenes, I did it by feel. I had an advantage: I’m a dancer!

Jul 27, 2014. Fight scenes are dangerous territory for writers. On the surface, they seem as if they're guaranteed to keep the reader glued to the action in the same way as they often do at the movies. In reality, though, readers tend to skip over fight scenes - skimming the long, tedious, blow-by-blow descriptions in favour of getting back to the dialogue and character-driven drama that truly engages them in the story.

Whether a side-street skirmish or an all-out war, fight scenes bring action to the pages of every kind of fiction. But a poorly done or unbelievable fight scene can ruin a great book in an instant. In *Fight Write* you'll learn practical tips, terminology, and the science behind crafting realistic fight scenes for your fiction. Broken up into "Rounds," trained fighter and writer Carla Hoch guides you through the many factors you'll need to consider when developing battles and brawls. • In Round 1, you will consider how the Who, When, Where, and Why questions affect what type of fight scene you want to craft. • Round 2 delves into the human factors of biology (think fight or flight and adrenaline) and psychology (aggression and response to injuring or killing another person). • Round 3 explores different fighting styles that are appropriate for different situations: How would a character fight from a prone position versus being attacked in the street? What is the vocabulary used to describe these styles? • Round 4 considers weaponry and will guide you to select the best weapon for your characters, including nontraditional weapons of opportunity, while also thinking about the nitty-gritty details of using them. • In Round 5, you'll learn how to accurately describe realistic injuries sustained from the fights and certain weapons, and what kind of injuries will kill a character or render them unable to fight further. By taking into account where your character is in the world, when in history the fight is happening, what the character's motivation for fighting is, and much more, you'll be able write fight scenes unique to your plot and characters, all while satisfying your reader's discerning eye.
